

CURRICULUM VITAE of Luc A. MICHEL

MD, FACS, FCCP, FEBS

born in Brussels - February 28, 1947

PERSONAL ADDRESS :

Rue Aux Quatre Vents 10
B-5100 Naninne, BELGIUM
Phone : +32 81 401740
Mobile : +32 475 681005
E-mail : luc.arthur.michel@gmail.com

PLACE and DATE of BIRTH : Brussels, Belgium - February 28, 1947.

CITIZENSHIP : Belgian

UNDER-GRADUATE STUDY

1965 : Humanities at Institute Sainte Marie (Bruxelles), Golden Medal and prize of the Bank of Brussels.

MEDICAL EDUCATION :

- University of Louvain (UCL) - Medical School, Louvain, Belgium (1965-1971).
- Rotating Internship in Surgery, Emergency room, Pediatrics, Obstetrics and Gynecology, Internal Medicine, Neurology : St Pierre and St Raphael Academic Hospitals, Louvain, Belgium (71-72).
- Degree of Doctor in Medicine, Surgery and Obstetrics of the University of Louvain (U.C.L.) - Medical School, June 1972. CUM LAUDE.
- Board certification in Surgery : February 1978.
- Diploma of complementary studies in Ethics and Economics (3 years curriculum), Hoover chair of the Faculty of Economics and Political Sciences of the U.C.L., July 1998 (magna cum laude).

POST-GRADUATE and ACADEMIC EXPERIENCE :

- Residency in General, Thoracic, Vascular Surgery and Intensive Care St. Michel Hospital, Brussels (1972-1977) - Head of program : F. Lantin, MD, PhD.
- Chief Resident in the Department of Renal Transplantation and Endocrine Surgery, St. Luc Academic Hospital, Brussels (July-December, 1977).
- Chief Resident Associate in the Section of Intensive Care of the **Mayo Clinic**, Rochester, Minnesota, USA (1978).
- Clinical and Research Fellowship in Surgery, **Harvard Medical School, at the Massachusetts General Hospital**, Boston, MA (1979).
- Instructor in Surgery, Harvard Medical School, at the Massachusetts General Hospital, Boston, MA (1980).
- Chief of the Surgical Service, Academic Hospital (U.C.L.) of Mont-Godinne, Yvoir, Belgium (since January 1982).
- Lecturer in Surgery: Graduate course of Surgical Semeiology, University of Louvain-Medical School (1986).
- President of the Medical Ethics Committee of Mont-Godinne Academic Hospital (1989-1997).
- Associate clinical professor of Surgery University of Louvain - Medical School (1991).
- Full Professor of Surgery University of Louvain-Medical School (1992)
- Director of complete residency program in Surgery - Mont-Godinne University Hospital (since 1994).
- President of the Medical Council of Mont-Godinne University Hospital (1996).
- Member of the **National Ethics Committee** (since July 1999).
- General Secretary of the European Society of Surgery (December 1998).
- December 2000: Attribution by the chancellor of the Jagiellonian University of Krakow of the 600th anniversary Medal of the Refoundation of the Medical Academy of Krakow (« *In recognition of outstanding achievements in the field of surgical science and practice, as well as personal contribution and dedication to the process of uniting European Surgery and setting standards of quality. It singles out your achievement in the field of surgery on the forum of the European Society*

of Surgery »).

- Since December 2001: Delegate of the University of Louvain-Medical School to the National Medical Council.
- Since 2004: delegate of the National Medical Council to the Appeal Court.
- November 2010: Vice-President of the Division of General Surgery of the European Union of Medical Specialists (UEMS)
- November 2010 (Turin), November 2011 (Krakow), November 2012 Istanbul, May 2013 Helsinki, November 2013 Malta: Member of the *Examination Board of the Division of General Surgery of the UEMS*
- **Honorary Fellow of the European Board of Surgery (FEBS, Hon.)**, November 2010.
- From October 2009, *Associate Professor at University of Mons –Institute of Technology* for the Postgraduate diploma in « Integrated Risk Management in Health Care Institutions ».
- 2009-2010: **Presidency of the Royal Belgian Society of Surgery.**
- **Honorary Membership of the European Society of Surgery**, Krakow - November 2011.
- November 2006 : taking rank as Grand Officer of the Order of King Léopold II.

Membership in MEDICAL SOCIETIES :

- Royal Belgian Society of Gastroenterology : March 1976.
- Belgian Society of Anesthesiology and Intensive Care : July 1978.
- Mayo Alumni Association: December 1978.
- Society of Critical Care Medicine : May 1979.
- American Society of Parenteral and Enteral Nutrition : May 1979.
- Fellow of the Massachusetts Medical Society : September 1979.
- Fellow of the American College of Chest Physicians (FCCP) and of the International Academy of Chest Physicians and Surgeons : December 1980.
- Royal Belgian Society of Surgery (membre titulaire): March 1981.
- Harvard Medical Alumni Association: March 1982.
- University Association of Emergency Physicians : January 1983.
- Association Française de Chirurgie (membre titulaire): February 1983.
- International Society of Surgery : February 1983.
- Fellow of the International College of Surgeons : April 1984.
- Fellow of the American College of Surgeons (FACS) : March 1985.
- International Association of Endocrine Surgeons (1990).
- European Society for Clinical Investigation (1990).
- European Association for Endoscopic Surgery (1991).
- Member of the Kennedy Institute of Ethics - Georgetown University : July 92
- Society of American Gastrointestinal endoscopic surgeons (SAGES) : October 92
- Membre titulaire de l'Association Francophone de Chirurgie Endocrinienne : November 1995
- Society of Endoscopic and Laparoscopic Surgeons of Asia : November 1994.
- International Hepato Pancreatic Biliary Association : August 1996.
- Fellow of the Society for Surgery of the Alimentary Tract (Boston, Ma) : September 1999.
- Member of the Belgian National Committee for Bioethics (Arrêté Royal du 29 avril 1999 – ref. 99/09569)
- Spleen Club of the Cedars-Sinai Medical Center – UCLA : February 1996.
- European Society of Surgery (ESS founder member and first General Secretary for the first decade): December 1997.
- Member of the Board of Directors of the European Society of Surgery 1998 to 2000, 2001 to 2003, 2004 to 2006, 2007 to 2014
- Belgian Society for Surgical Oncology : September 1999
- Fellow of the Society for Surgery of the Alimentary Tract - Boston, September 1999
- Founding Member of the European Society of Endocrine Surgeons: May 2004

HONORARY MEMBER of:

1. Roumanian Society of Surgery (Bucarest, May 1998)
2. Medical Academy of Latvia (Riga, September 1999)
3. Belarussian Society of Surgery and the Belarussian State University (Minsk, May 2002)
4. Bulgarian Surgical Society (Sofia, September 2004)
5. Ukrainian Surgical Society (Kiev, September 2003)

6. Egyptian Society of Surgery (Alexandria, October 2006)
7. Cyprus Society of Surgery (Nicosia, September 2005)
8. Georgian Society of Surgery (Tbilisi, November 2009)
9. European Society of Surgery (2011)
10. Lebanese Society of Surgery (2012)

LECTURER in the frame of the ERASMUS / SOCRATE program of the European Commission

- Hu - Budapest 08: Semmelweis University (February 18-23, 2002)
- Pl - Krakow 07: Jagiellonian University (May 6-11, 2002)
- Lv – Riga 03 : Rigas Stradina Universitate – Latvijas Medicinas Akadēmija (March 2003)
- Cz –Prague 07 : Univerzita Karlova V Praze (May 2003)
- Pl - Krakow 07: Jagiellonian University (May 25-30, 2004)
- Cz –Prague 07 : Univerzita Karlova V Praze (May 11-16, 2004)

SCHOLARSHIPS :

- Belgian Foundation for Medical Research Scholarship for visiting Intensive Care Units, and attending surgery of the pancreas and portal hypertension : May-June 1976 (Harvard Surgical Service, Memorial Sloan-Kettering Cancer Center, Ohio State University Hospital, Mayo Clinic).
- Belgian Foundation for Medical Research Travel grant for presentation of papers and session chairmanship at the Sixth International Symposium on Acute Care : November 1977 (Rio de Janeiro, Brazil).
- Belgian Foundation for Medical Research Scholarship for presentation of papers at the 50th Annual meeting of the American College of Chest Physicians : October 1984 (Dallas, Tx, USA).
- NATO Research Scholarship and FULBRIGHT-HAYS Scholarship to Lecture in Surgery at Harvard Medical School, Massachusetts General Hospital : granted in June 1986 for 6 months beginning December 1986.
- Harvard Surgical Service (Professor R.A. Malt) - Massachusetts General Hospital. Prediction of risk in non cardiac surgery following cardiac surgery, May 1988.
- Georgetown University - Intensive Bioethics course of the Kennedy Institute of Ethics (Certificate: June 1992 -Washington DC.)

PEER REVIEWER for Scientific Journals

- Acta Clinica, Acta Chirurgica, Louvain Medical, Annales de Chirurgie, Annals of the Academy of Medicine of Singapore, Journal of International Biotechnology, Langenbeck's Archives of Surgery, New England Journal of Medicine, Malaysian Journal of Medical Sciences, Polish Journal of Surgery, Postgraduate Medical Journal, Zentralblatt für Chirurgie.
- Member of the editorial board of the Acta Chirurgica : 1985-2001.
- Academic reviewer for the Oxford University Press: January 1995, March 1996.
- Editor of the Acta Chirurgica : 2001-2011

EXPERT for the Department of Scientific Research (DG XII) of the European Commission and the **European Research Council**

- Expert for the European Commission for Evaluation of research applications - 5th Framework Programme (FP5) “Quality of Life and Management of Living Resources”, Accompanying measures : 10-14 July 2000.
- Expert for the European Commission for Evaluation of research applications - 5th Framework Programme (FP5) “Quality of Life and Management of Living Resources”, Accompanying measures : 2-6 July 2001.
- Remote Referee Expert for the 6th Framework Programme (FP6) “Anticipating scientific and technological needs“ - NEST (New and Emerging Science and Technology): May and June 2004.
- Member of the senior experts panel for the NEST Evaluation Panel, June 15-17, 2004 – European Commission (Research Directorate General B: Structuring the European Research Area).
- Expert for the FP6 Ethical Review process, July 12-16, 2004.
- Remote Referee Expert for the 6th Framework Programme (FP6) – NEST: September 2004.
- Member of the senior experts panel for the NEST Evaluation, October 27-29, 2004 – European Commission.
- Member of the senior experts panel for the SCIENCE & SOCIETY Evaluation Panel,

- December 6-8, 2004 – April 2005 – July 2005- September 2005, European Commission.
- Member of the senior experts panel for Projects Final Decision in the 6th Framework programme (FP6), October 4, 2005.-Member of the experts panel for **Ethical Review** of projects selected by 6th Framework programme (FP6), May 15-18, 2006 – October 2-5, 2006.
 - Member of the experts' panel LS6 (Medical and health science research) for the ERC Starting Grant (*first call*) of the FP7 program of the European Research Council (ERC) July 3-5, 2007 and November 6-8, 2007.
 - Member of the experts' panel LS6 (Medical and health science research) for a redress procedure of a ERC Starting Grant of the FP7 program of the ERC, May 27, 2008.
 - Remote referee expert for panel LS3 (Medical and health science research) for the ERC Starting Grant (*second call*) of the FP7 program of the ERC, December 2008.
 - Member of the experts' panel of the **Innovative Medicine Initiative Joint Undertaking** (IMIJU) programme of the European Commission (EC) and the European Federation of Pharmaceutical Industries and Associations (EFPIA), February 17, 2009.
 - Member of the experts' panel LS7 (Medical and health science research) for the ERC Starting Grant (*second call*) of the FP7 program of the ERC. February 24-26, 2009 and May 12-14, 2009.
 - Member of the **Ethical Review** experts' panel for the **Innovative Medicine Initiative Joint Undertaking** (IMIJU) programme of the European Commission (EC) and the European Federation of Pharmaceutical Industries and Associations (EFPIA), July 17, 2010.
 - Member of the experts' panel LS7 (Medical and health science research) for the ERC Starting Grant (*first call*) of the FP7 program of the ERC. February & May 2010; February & June 2011; January & March 2012; February & May 2013.

GUEST LECTURER and VISITING PROFESSOR

- Chinese University of Hong Kong – Prince of Wales academic Hospital (A. Li, W. King, 1983)
- Harvard University – Medical School (R.A. Malt, 1986)
- Mayo Graduate School of Medicine (J.C. McMichan, 1988) and Guest of the Council of the American Surgical Association (R.A. Malt, 1988)
- Université de Bucarest (N. Angelescu, 1998)
- Imperial College of London (R. Williamson, 1998)
- Latvian Academy of Medicine à Riga (J. Vètra & G. Pupelis, 1999)
- Von Humboldt University de Berlin (J. Müller, 1999)
- Université Semmelweis de Budapest (J. Kiss & J. Regöly-Mérei, 2002)
- Université Jagiellone of Krakow (T. Popiela, W. Nowak & F. Ziejka, 2000 et 2002 ; J. Kulig & F. Ziejka, 2004)
- State University of Belarus, Minsk (P. Beshpalchule & G.P. Rychagov, 2002)
- Ukrainian Academy of Sciences and Ministry of Health. Kiev (S. Cherenko & A. Larin, 2002)
- Université Karlova V de Prague (J. Hoch & F. Antos, October 2002)
- Rigas Stradina Universitate – Latvijas Medicinas Akadēmija (J. Vètra, April 2003; G. Pupelis, September 2013)
- Univerzita Karlova V de Prague at Motol Academic Hospital, Prague: J. Hoch & R. Czerny, May 2003 and December 2003; J. Hoch & R. Czerny, May 2004
- Saint-Petersburg University (A.F. Romanchishen, June 2003)
- Universita Cattolica del Sacra Cuore de Rome (R. Bellantone, June 2004)
- University of Bulgaria (Sofia) and the Bulgarian Surgical Society (D. Damyanov, September 2004)
- University of Cyprus-Medical School at Nicosia and the Cyprus Surgical Society (N. Manakoudines and P. Economou, October 2004)
- Ukrainian Academy of Sciences and Ministry of Health. Kiev (S. Cherenko & A. Larin, November 2004).
- University of Naples - Schola Medica Salernitana (Prof. A. Barbarisi, May 2007, April & November 2008).
- University of Tbilisi, Georgia (Prof. Menabde & Giorgobiani, October 2008 & November 2009).
- University of Torino – Medical School (Prof G Gasparri, November 2010).
- University Jagiellone of Krakow (W. Nowak & J. Kulig), January 2010 and 2011 for teaching at the Post-graduate Course of Surgery for the preparation to the 2^d European Board of Surgery exam.

- American University of Beirut Medical Centre (Prof. Jama Hoballah, November 2013).
- Modern Medical Centre (MMC) of Dubai (Doctor Mattew, Dubai, December 2013).

ENGLISH LANGUAGE

1. Surgical treatment of bronchiectasis in Kartagener's syndrome.
L. Michel, J. Vandepierre, F. Lantin. Br J Surg 1976; 63: 494-497.
2. Knotting of central venous catheters: non surgical correction.
J.C. McMichan, L. Michel. Chest 1978; 74: 573-573.
3. Microbial colonization of indwelling central venous catheters.
L. Michel, J.C. McMichan. Am J Surg 1979; 137 : 745-748.
4. Tracheostomy and indwelling central venous catheters: a hazardous combination?
L. Michel, J.C. McMichan. Intensive Care Med 1979; 5: 37-39.
5. Guide Wire-Sheath technique for pulmonary artery catheterization and central vein cannulation.
J.C. McMichan, L. Michel. Intensive Care Med 1979; 5: 37-39
6. Measurement of ventilatory reserve as an indicator for early extubation after cardiac operation.
L. Michel, J.C. McMichan, H.M. Marsh, K. Rehder. J Thorac Cardiovasc Surg 1979; 78: 761-764.
7. Pulmonary dysfunction following traumatic quadriplegia : Recognition, Prevention and Treatment.
J.C. McMichan, L. Michel, P.R. Westbrook. JAMA 1980; 243: 528-531.
8. Mallory-Weiss Syndrome : Evolution of diagnostic and therapeutic patterns over two decades.
L. Michel, A. Serrano, R.A. Malt. Ann Surg 1980; 192: 716-721.
9. Infection of pulmonary artery catheters in critically-ill patients.
L. Michel, H.M. Marsh, J.C. McMichan, P.A. Southorn, N.S. Brewer.
JAMA 1981; 245: 1032-1036.
10. Nutritional support of hospitalized patients (Current Concept).
L. Michel, A. Serrano, R.A. Malt. N Engl J Med 1981; 304: 1147-1152.
11. Reversal of Selenium deficiency with oral Selenium.
W. King, L. Michel, W.C. Wood, R.A. Malt, S.S Baker, H.J. Cohen.
N Engl J Med 1981; 304: 1305.
12. Operative and nonoperative management of esophageal perforations.
L. Michel, H.C. Grillo, R.A. Malt. Ann Surg 1981; 194: 57-63.

13. Colonic obstruction as a complication of ulcerative colitis.
A. Serrano, L. Michel, A.L. Warshaw, R.A. Malt.
Dis Colon Rectum 1981; 24: 487-489.
14. A *Legionella pneumophila* serogroup I isolated from a fatal case of Legionnaires disease.
Delmée, M. Reynaert, L. Michel, G. Alexandre, G. Wauters.
Acta Clinica 1981; 36: 262-263.
15. Measurement of vital capacity and maximum inspiratory pressure as objective criteria for extubation after surgery. L. Michel, J.C. McMichan. *Acta Anaesthesiol* 1981; 32: 227-38.
16. Post-emetic laceration and rupture of the gastroesophageal junction.
L. Michel. *Acta Chirurgica* 1982; 82: 13-24.
17. Fatal paradoxical air embolism to the brain : complication of central venous catheterization.
L. Michel, D.C. Poskanzer, K.A. McKusick, G.L. Nardi, R.A. Malt.
J Parenteral Enteral Nutrit 1982; 6: 68-70.
18. Esophageal perforation - Collective review.
L. Michel, H.C. Grillo, R.A. Malt. *Ann Thorac Surg* 1982; 33: 203-210.
19. Evaluation of anterior extravesical ureteroneocystostomy in kidney transplantation.
P. Van Cangh, L. Michel, J.P. Squifflet, G. Alexandre. *J Urology* 1982; 128: 153.
20. Knotting of intracardiac flow-directed balloon catheter. Simple Surgical method of removal.
L. Michel, E. Installé, K. Joucken. *Chest* 1983; 83: 147-148.
21. Avoidance of aggravated hypoxemia during measurement of mean pulmonary artery wedge pressure in ARDS. M. Diverdie, J.C. McMichan, L. Michel, K.P. Offord, A.B. Ness. *Chest* 1983; 83: 70-74.
22. Reversal of biochemical and functional abnormalities in erythrocytes secondary to Selenium deficiency.
Baker, W.W. King, L. Michel, W.C. Wood, R.A. Malt, H.J. Cohen.
J Parenteral & Enteral Nutrit 1983; 7: 293-295.
23. Place of surgery in preventive and curative treatment of pulmonary embolism.
J.C. Schoevaerdt, L. Michel, Ph. Bettendorf, C. Faber, P. Jaumin.
Int Angiology 1983; 3: 67-72.
24. Use of hydrocolloid dressing following wide excision of perineal hidradenitis suppurativa.
L. Michel. *Proc Royal Soc Med (London)* 1985; 88: 143-148.
25. Gastric rupture : A danger of postoperative oxygenation with a nasal catheter.
Th. Ballet, L. Michel. *Int Surg* 1985; 70: 265-266.
26. Cerebrovascular circulation "Steal" syndrome secondary to a voluminous retrotracheal goiter.
Ph. Gadiuseux, P. Minette, J.P. Trigaux, L. Michel. *Int Surg* 1986; 71: 107-109.
27. Cryoanalgesia for post-thoracotomy pain relief.
K. Joucken, L. Michel, J.C. Schoevaerdt, A. Mayné, P. Randour. *Acta Anaesthes* 1987; 38: 179-183.
28. Surgical management of substernal goitre.
L. Michel, H.A. Bradpiece. *Br J Surg* 1988; 75: 565-569.
29. Safety of central venous catheter change over guidewire for suspected catheter-related sepsis. A prospective randomized trial.
L. Michel, H. Bradpiece, P. Randour, F. Pouthier. *Int Surg* 1988; 73: 180-186.

30. Severe bleeding from submucosal lipomas of the duodenum.
L. Michel, Th. Ballet, J.M. Collard, H.A. Bradpiece, J. Haot. *J Clin. Gastroenterol* 1988; 10: 541-545.
31. Parallel changes of atrial natriuretic factor and catecholamines during surgery for pheochromocytoma.
J. Donckier, L. Michel, E. Collard, A. Berbinschi, J.M. Ketelslegers, C. Harvengt, M. Buyschaert.
Am J Med 1988; 85: 278-279.
32. Late recurrence of operated adreno-cortical carcinoma. Atrial natriuretic factor (ANF) before and after treatment with mitotane (o, p'DDD).
J. Donckier, L. Michel, A. Berbinschi, P. De Coster, M. Buyschaert.
Surgery 1989; 105: 690-692.
33. Combined colonic and biliary surgery. Assessment of risk in elderly patients.
L. Michel, F. El Hammouti. *Int Surg* 1989; 74: 244-246.
34. Synchronous abdominal and transsacral approach for excision of sacrococcygeal chordoma.
L. Michel, Ph. De Cloedt. *Acta Chirurgica* 1989; 89: 316-319.
35. Cushing syndrome and medroxyprogesterone acetate.
J. Donckier, L.A. Michel, M. Buyschaert. *Lancet* 1990; 335: 1094.
36. Gastrodiaphragmatic fistula after transabdominal Nissen fundoplication.
Ph. Hauters, L. de Cannière, J.M. Collard, M. Buyschaert, L. Michel.
Clin Gastroenter 1990; 12: 313-315.
37. Prediction of risk in noncardiac surgery following cardiac surgery.
L. Michel, J. Jamart, H. Bradpiece, R. Malt. *J Thorac Cardiovasc Surg* 1990; 100: 595-605.
38. Surgery in chronically steroid-treated patients. A tentative model for risk assessment.
R. Reding, L.A. Michel, J. Donckier, L. de Cannière, J. Jamart.
Br J Surg 1990; 77: 1175-78.
39. Recurrent pleuro-pericarditis due to gastrodiaphragmatic fistula.
O. Descamps, J. Donckier, JM. Collard, L. Michel, JP. Trigaux.
Acta Clinica 1990; 45: 126-29.
40. Esophageal resection and by-pass: a 6 year experience with a low postoperative mortality.
JM. Collard, J.B. Otte, M. Reynaert, L. Michel, M.A. Carlier, P.J. Kestens.
World J Surg 1991; 15: 635-641.
41. Plasma atrial natriuretic factor and catecholamines before and during excision of pheochromocytoma. J. Donckier, L.A. Michel, E. Collard et al.
Acta Chirurgica 1991 ; 91 : 112-116.
42. Intra-abdominal injury following blunt trauma.
L. de Cannière, L. Michel, J.P. Trigaux, J. Jamart. *Br J Surg* 1992; 79 S:31.

43. Abdominoperineal excision of rectum without transfusion and with primary closure of perineal wound.
L. Michel, L. de Cannière. Br J Surg 1992; 79 S: 148-149.
44. Synchronous abdominoperineal resection without transfusion.
L. de Cannière, A. Rosière, L. Michel. Br J Surg 1993; 80: 194-5.
45. Benign tumors of the upper gastro-intestinal tract (stomach, duodenum, small bowel): a review of 178 surgical cases (Belgian multicentric study).
P. Mendes da Costa, A. Beernaerts, A. Albadi, L. Michel, J.A. Gruwez, et al.
Acta Chirurgica 1993; 93: 39-42.
46. Early diagnosis of adult intestinal intussusception at four different locations.
A. Rosière, L. de Cannière, L. A. Michel. Acta Chirurgica 1994; 94: 314-17.
47. Extensive lymph node clearance for cancer of the esophagus or cardia: merits and limits in reference to 5-year absolute survival.
JM. Collard, JB. Otte, M. Reynaert, L. Michel, J. Malaise et al.
Hepatogastroenterology 1995; 42: 619-27.
48. Abdominal pain: Do not forget Thorotrast
E. Weber, F. Larbaui, L. Michel, J. Donckier. Postgrad Med J 1995; 71: 367-68.
49. From laparoscopic training on an animal model to retroperitoneoscopic or coelioscopic adrenal and renal surgery in human.
L. de Cannière, F. Lorge, A. Rosière, K. Joucken, L.A. Michel.
Surg Endoscopy 1995; 9: 699-701.
50. Retroperitoneal endoscopic adrenalectomy
L. de Cannière, L. Michel. Br J Surg 1995; 82: 1001.
51. Videoendoscopic adrenalectomy: Multicentric study from the Belgian group for endoscopic surgery (BGES).
Preliminary report.
L. de Cannière, L. Michel, E. Hamoir, G. Hubens, M. Meurisse, JP. Squifflet, P. Urbain, L. Vereecken.
Int Surg 1996; 81: 6-8.
52. Unusual presentation of papillary thyroid carcinomas.
F. Heurreux, L. Michel, JP. Trigaux, M. Delos, J. Donckier. Acta Clinica 1996; 51: 166-69.
53. Unusual hypokalaemia.
P. Selvais, L. de Cannière, L. Michel, J. Donckier. Acta Clinica 1996; 51: 51-55.
54. Blunt renal traumas: contribution of spiral CT with three-dimensions reconstruction to the surgical decision process? L. Michel, M. Lacrosse, L. de Cannière, F. Lorge, A. Rosière, P. Vandenbossche, JP. Trigaux.
Int Surg 1996; 81: 377-81.
55. Gastric volvulus after coronary bypass.
L. Michel, M. Buche, L. de Cannière, P. Chenu.
Lancet 1997 ; 349 : 251
56. Direct CO2 insufflation of the retroperitoneum under coelioscopic control for renal and adrenal surgery.

- L. de Cannière, L.A. Michel, F. Lorge, A. Rosière, P. Vandebossche.
Eur J Surg 1997; 63: 339-44.
57. Surgery as a "last resort" option for active variceal bleeding further complicated by iatrogenic oesophageal perforation.
A.Rosière, L. Michel, L. de Cannière, P. Vandebossche, K. Joucken.
Br J Surg 1997; 84: 858-59.
 58. Spiral CT with three-dimensional reconstructions for severe blunt abdominal traumas. *A useful complementary tool?*
L. Michel, M. Lacrosse, L. de Cannière, A. Rosière, P. Vandebossche, JP. Trigaux.
Eur J Emergency Med 1997; 4: 87-93.
 59. Adrenal and renal surgery by the laparoscopic and/or retroperitoneoscopic approach (*review article by invitation*).
L. de Cannière, L. Michel. Ann Academy of Medicine, Singapore 1997; 26: 336-43.
 60. Multicentric experience of the Belgian Group for Endoscopic Surgery (BGES) with endoscopic adrenalectomy.
L. de Cannière, L. Michel, E. Hamoir, G. Hubens, M. Meurisse, JP.Squifflet, P.Urbain, L.Vereecken.
Surg Endosc 1997; 11: 1065-1067.
 61. Compression syndromes caused by substernal goitres.
L. Michel, J. Donckier. Postgrad Med J 1998; 74: 701-2.
 62. Angiosarcoma of the thyroid and concurrent hyperthyroidism.
S. Proes, P. Schroeyers, M. Delos, L. Michel, J. Donckier. J .
Endocrinol Invest 1998; 21: 67-69.
 63. Surgical safety and evaluation of blood pressure profile during laparoscopic resection of pheochromocytoma. V. Col, L. de Cannière, E. Collard, L. Michel, J. Donckier.
Acta Cardiologica 1998; 53: 301-302.
 64. Heart failure induced by pheochromocytoma: laparoscopic treatment and intraoperative changes of several new cardiovascular hormones. V. Col, L. de Cannière, L. Michel, J. Donckier.
Hormone Research 1999; 51: 50-52.
 65. Laparoscopic adrenalectomy for pheochromocytoma : endocrinological and surgical aspects of a new therapeutic approach.
V. Col, L. de Cannière, E. Collard, L. Michel, J. Donckier.
Clinical Endocrinology 1999; 50: 121-125.
 66. Asymptomatic adrenal tumours: criteria for endoscopic removal.
L.A. Michel, L. de Cannière, E. Hamoir, G. Hubens, M. Meurisse, JP. Squifflet.
Eur J Surgery 1999; 165 :767-771.
 67. Laparoscopic approach for adrenalectomy.
L. Michel, L. Decannière, J. Donckier. World
J Surg 1999; 23: 1318-1319.

68. Which primary diagnostic tool for blunt abdominal trauma?
L. Michel, JP. Trigaux. *American J Roentgenology* 1999; 73:1709-10.
69. Euthanasia as an example of conflict between ethical precepts and entitlement rights. A surgeon's viewpoint.
L. Michel. *Acta Chirurgica* 2000; 100:139-146.
70. Simple index for prediction of cardiac risk in stable patients undergoing nonurgent major noncardiac surgery: what about the more severely compromised patients ?
L.A. Michel, A. Rosière. *Circulation* 2000; 102: e-106.
71. Changing pattern for management of severe blunt liver trauma *CT reconstruction a useful complementary tool?* L.A. Michel, A Rosière, L.Decannière.
Annals of Surgical Hepatology 2001; 6 :25-35.
(Paper edited both in English and Russian by invitation of the Russian Society of Surgery - Prof.Galperin)
72. Evidence-Based Medicine, Cost-Containment, Care Effectiveness:
L. Michel. *Acta Chirurgica* 2001; 101: 95-100.
73. Outbreak of thyroid papillary carcinoma in young patients. A Chernobyl connection?
DJ. Blackburn, L.A. Michel, A. Rosière, JP. Trigaux, J.E. Donckier.
Journal of Pediatric Endocrinology & Metabolism 2001; 14: 503-506.
74. ECG abnormalities of endocrine origin.
J.E. Donckier, E. Delgrange, L.A. Michel.
Heart 2001; 85: 679.
75. Usefulness of [^{99m}Tc]Mibi and [¹⁸F]Fluorodeoxyglucose for imaging recurrent medullary thyroid cancer and hyperparathyroidism in MEN 2A syndrome.
V. Roelants, L. Michel, M. Lonneux, M. Lacrosse, E. Delgrange, J. Donckier.
Acta Clinica 2001; 56: 373-376.
76. Surgery from former Eastern Europe (*Editorial*)
L. Michel. *Acta Chirurgica* 2002; 102 : 67.
77. Thyroid cancer 15 years after Chernobyl.
L. Michel, J. Donckier. *Lancet* 2002 ; 359 : 1946-47.
78. Complications of radiofrequency coagulation of liver tumours.
S. Mulier, P. Mulier, Y. Nit, Y. Miao, B. Dupas, G. Marchal, I. De Wever, L. Michel.
Br J Surg 2002; 89: 1-22.
79. The challenge of the computer-based patient record to the rule of confidentiality and to the respect of patient's privacy (*Editorial*)
L. Michel. *Acta Chirurgica* 2002; 102 : 281.
80. The protection of the patient's private life : a vast normative landscape (*First part*)
M. Van Overstraeten, L. Michel.
Acta Chirurgica 2002 ; 102 : 282-288 (re-published by invitation in the issue of October 2005, 105: .449-455)

81. Is surgical mystique a myth and double standard the reality?
L.A. Michel, P. Johnson. *J Med Ethics - Medical Humanities* 2002; 28: 66-70.
82. Intraoperative gamma probe detection of insulinoma in an elderly patient with pancreatic cystic lesions.
A. Rosière, YJ. Ernst, V. Roelants, T. Vander Borgh, L. Michel, J. Donckier.
Clinical Endocrinology 2002; 57: 547-549.
83. Euthanasia and Surgery (*Editorial*).
L. Michel, M-L. Druart, H. Van Damme. *Acta Chirurgica* 2002; 102: 363-364.
84. Euthanasia as an example of conflict between ethical precepts and entitlement rights. A surgeon's viewpoint.
L. Michel. (paper published in the *Acta Chirurgica* [2000; 100:139-146] and by invitation of the Editorial board, included within the special issue of the Journal dealing with the National Debate about Euthanasia).
Acta Chirurgica 2002; 102: 371-378.
85. The protection of the patient's private life: the computer challenge (*Second part*).
M. Van Overstraeten, L. Michel.
Acta Chirurgica 2002 ;102 : 404-410 (re-published by invitation in the issue of October 2005, 105: .456-462)
86. Ethical and Philosophical Foundations of the Informed Consent (*Editorial*).
L.Michel
Acta Chirurgica 2003; 103 : 1-3.
87. National Survey of bile duct injury associated with cholecystectomy.
Big brother in the operating room versus another EBM tool for critical assessment of surgical innovation? (by invitation). L. Michel. *Acta Chirurgica* 2003; 103 : 181-186.
88. Increased expression of endothelin-1 and its mitogenic receptor ETA in human papillary thyroid carcinoma.
J. Donckier, L. Michel, R. Van Beneden, M. Delos, X. Havaux
Clinical Endocrinology 2003; 59: 354-260.
89. Management of oesophageal perforation after delayed diagnosis : the merit of tissue flap reinforcement.
A. Rosière, S. Mulier, A. Khoury, L. Michel.
Acta Chirurgica 2003; 103: 497-501.
90. Size and Geometry of Radiofrequency Lesions: Crucial Knowledge to Prevent Local Recurrence.
S. Mulier, Y. Ni, Y. Miao, A. Rosière, A. Khoury, G. Marchal, L. Michel.
Eur J Surgical Oncology 2003; 29: 867-878.
91. *Acta Chirurgica Belgica: a challenging task worth the efforts? Do we need a Belgian surgical scientific journal?* (by invitation).
L. Michel, ML. Druard, R. Van Damme. *Acta Chirurgica* 2003, 103: 535-537.
92. Increased expression of Endothelin-1 converting enzyme in human thyroid carcinoma
R. Van Beneden, L. Michel, X. Havaux, M. Delos, J. Donckier.
Clinical Endocrinology 2004; 60: 146-147.
93. Surgeon's Responsibility Revisited (by invitation).
L. Michel. *Acta Chirurgica* 2004; 104: 17-29.

94. Prague, the meeting point of European ideological nightmares and European cultural dreams.
L. Michel.
Bulletin International Hepato Pancreatico Biliary Association 2004; 12:4-9.
95. Moral issues of surgical emergencies
L. Michel. Acta Chirurgica 2004; 104:
123-124.
96. Professional responsibility of surgeons versus Political responsibility!
Editorial about the *Letter of the Surgical Certification Board addressed to the Minister of Public Health*.
L. Michel, R. Van Damme. Acta Chirurgica 2004; 104: 362.
97. Legal aspects of on-line pharmacy: *free movements of goods* is not tantamount to *free provision of services!*
Editorial about the paper of F. de Clippele "*Legal aspects of on-line pharmacy*"
L. Michel. Acta Chirurgica 2004; 104: 371-372.
98. Mechanisms and Principles of Radiofrequency Ablation. A Review on General Aspects of Radiofrequency Ablation (by invitation). Y. Ni, S. Mulier, Y. Miao, L. Michel, G. Marchal.
Abdominal Imaging 2004; 29:1-19.
99. Endothelin axis expression in medullary thyroid carcinoma J.
Donckier, Michel L, Delos M, Van Beneden R, Havaux X.
Clinical Endocrinology 2004; 61: 282-284.
100. Expression of endothelin-1 by adrenocortical carcinoma: a new target for anti-cancer therapy?
J. Donckier, L. Michel, M. Delos, X. Havaux
Acta Chirurgica 2004;104: 581-583.
101. Neuroendocrine tumors of the pancreas: benefits of new technologies.
A. Rosière, J. Donckier, L. Michel
Surgical Endoscopy 2005; 19:1004-5. (+online publication: 28 April 2005 -ISSN:0930-2794)
102. Chronic adhesive small bowel volvulus: "*Whirl Sign*" on CT-scan.
D. Lam, S.Mulier, L.Michel. Acta Chirurgica 2005; 105: 118-120.
103. Local recurrence after hepatic radiofrequency coagulation – Multivariate meta-analysis and review of contributing factors.
S.Mulier, Y.Ni, J.Jamart, T.Ruers, G.Marchal, L.Michel
Annals of Surgery 2005; 242:158-171.
104. A review of the general aspects of radiofrequency ablation.
Y. Ni, S. Mulier, Y. Miao, L. Michel, G. Marchal.
Abdominal Imaging 2005; 30: 381-400.
105. Electronic submission of manuscript for publication in the Acta Chirurgica.
W.Ceelen, J.Malaise, R.Van Damme, L.Michel.
Acta Chirurgica 2005;105: 329.
106. The challenge of *Electronic Medical Prescriptions* to the rule of confidentiality and to the respect of patient's privacy (*Editorial*).
L.Michel, H.Van Damme. Acta Chirurgica 2005; 105: 447-48.

107. Electrodes and multiple electrode systems for radiofrequency ablation: a proposal for updated terminology. S. Mulier, y.Miao, P. Mulier, B.Dupas, Ph.Pereira, Th. De Baere, R.Lencioni, R.Leveillee, G.Marchal, L. Michel, Y.Ni. *Eur Radiol* 2005; 15:798-808.
108. Epistemology of Evidence Based Medicine
L.Michel. *Acta Gastro-Enterologica* 2006; 69:238-246.
109. Interrelated overexpression of endothelial and inducible nitric oxide synthetases, endothelin-1 and angiogenic factors in human papillary thyroid carcinoma.
J. Donckier, L.Michel, M.Delos, X.Havaux, R. Van Beneden.
Clinical Endocrinology 2006; 64: 703-710.
110. Nitric oxide, vascular endothelial growth factor and angiopoietin in papillary thyroid carcinoma.
J. Donckier, L.Michel. *J.Clin Endocr & Metabolism* 2006; e-letter, 21April
111. Experimental and clinical radiofrequency ablation: proposal for standardized description of size and geometry of the ablation zone.
S. Mulier, Y.Ni, F.Burdio, AL.Denys, J-F.De Wispelaere, B.Dupas, N.Habib, M.Hoey, MC.Jansen, M. Lacrosse, R.Leveillee, Y.Miao, P.Mulier, D.Mutter, KK.Ng, R.Santambrogio, D.Stippel, K.Tamaki, Tm.van Gulik, G.Marchal, L.Michel.
Annals of Surgical Oncology 2007; 14: 1381-1396.
112. Importance of secretion pattern in minimally invasive surgery for pheochromocytoma.
L.Michel, J. Donckier. *Clinical Endocrinology* 2007; 66: 455-456.
113. The epistemology of evidence-based medicine. (Editorial by invitation). L.Michel.
Surgical Endoscopy 2007; 21:145-151.
114. Bilateral adrenal lymphoma with Addison's disease: a surgical Pitfall
J. Donckier, M. Lacrosse, L. Michel. *Acta Chirurgica* 2007; 107: 218-200.
115. Twelve steps to writing an effective "Materials and Methods" section
H.Van Damme, L.Michel, W.Ceelen, J.Malaise. *Acta Chirurgica* 2007; 107: 101.
116. Moral issues of surgical emergencies (*by invitation*). L.Michel.
Journal of International Biotechnology Law 2007; 4: 131-132.
117. Radiofrequency ablation versus resection for resectable colorectal liver metastases: time for a randomised trial?
S.Mulier, Y.Ni, J.Jamart, L.Michel, G.Marchal, T.Ruers.
Annals of Surgical Oncology 2008; 15:144-57.
118. A place for radiofrequency ablation in the treatment of resectable colorectal liver metastases ?
S.Mulier, T.Ruers, L.Michel, J.Jamart, G.Marchal, Y.Ni.
Annals of Surgical Oncology 2008; 15:2064-65 and May 2008(letter) [Epub ahead of print]
119. Health Care Cost Containment
H. Van Damme, L. Michel. *Acta Chirurgica* 2008; 108:2-3.
120. Responsibility in the Operating theatre: the Guidelines are still controversial
L.Michel. *Acta Chirurgica* 2008; 108:282-287.
121. Diabetes mellitus as a primary manifestation of Multiple Endocrine Neoplasia type 2B.
J. Donckier, A.Rosière, F.Heureux, L.Michel. *Acta Chirurgica* 2008; 108:732-737.
122. Radiofrequency ablation versus resection for resectable colorectal liver metastases: time for a randomized trial? An Update.
S. Mulier, T.Ruers, J.jamart, L. Michel, G.Marchal, Y.Ni. *Digestive Surgery* 2008; 25: 445-460.
123. Management of common bile duct stone late after laparoscopic Roux-en-Y gastric bypass for obesity.
V.Malherbe, A.Badaoui, H.Huybrecht, T.De Ronde, L.Michel, A.Rosière.
Acta Chirurgica 2009; 109: 820-823.

L. Michel. Acta Chirurgica 2012; 112: 251-52.

Manual of Soft-Tissue Management in Orthopaedic Trauma. Volga DA, Harder Y.
Edition Thieme verlag 2011 (Stuttgart, New York).

L. Michel. Acta Chirurgica 2012; 112: 252.

The Daschner Guide to In-hospital Antibiotic Therapy – European Standards (2nd Edition).
Uwe Frank, Evelina Tacconelli. Edition Springer 2012 (New York, Dordrecht, Heidelberg, London)

L. Michel. Acta Chirurgica 2012 ; 112 : 254.

BOOK CHAPTERS

1. La bronchoplastie dans la chirurgie du carcinôme bronchique.
F. Lantin, J. Vandeperre, L. Michel, A. Lantin
In: C. Hahn and Th. Dirksen (eds): Thorax Chirurgie - Leiden 1950-1975. Leiden: Nederlands Drukkerij Bedrijf, 1975: 75-80.
2. Indwelling central venous catheter: statistical analysis of factors influencing the risk of microbial or fungal contamination.
L. Michel, J.L. Bachy.
In: B.M. Tavares and R. Frey (eds): Anesthesiology and Intensive Care Medicine. Berlin-Heidelberg: Springer Verlag, 1979 : 35-55.
3. Microbial colonization of indwelling central venous catheters. L. Michel, J.C. McMichan. In : J.E. Eckenhoff (ed) : The year book of Anesthesia. Chicago : Year book medical publishers-Inc, 1980.
4. Pulmonary dysfunction following traumatic quadriplegia. J.C. McMichan, L. Michel, P.R. Westbrook.
In: J.E. Eckenhoff (ed) : The year book of Anesthesia. Chicago: Year book medical publishers-Inc, 1981.
5. Esophageal perforation : The syndrome and its management. H. Grillo, E.W. Wilkins, L. Michel, R.A. Malt.
In: T.R. De Meester and D.B. Skinner (eds) : Esophageal Disorders. Pathophysiology and Therapy. New York: Raven Press, 1985: 493-499.
6. Infection due to intravascular catheterization.
L. Michel.
In: J.L. Vincent (ed) : Update in Intensive Care and Emergency Medicine. Berlin - Heidelberg - New York - Tokyo: Springer Verlag, 1985: 133-136.
7. Mallory-Weiss syndrome. L. Michel, R.A. Malt. In: P. Hunt (ed) : Gastrointestinal Hemorrhage. Edinburgh : Churchill Livingstone, 1985 : 55-60.
8. Surgery of substernal goitre.
L. Michel.
In: M. Hamoir (ed): The thyroid gland. Surgical pathology. Brussels: Acta Oto-Rhino-Laryngologica, 41 Suppl., 1987: 863-880.
9. Ethique et répartition des ressources. L. Michel. In : J.P. Durand (ed) : Revue d'Ethique et de Théologie Morale. Paris: Cerf, 1992 : pp.119-135.
10. Qu'est-ce que l'équité en matière de santé?
L. Michel
In: H. Peemans-Poullet, C. Van Rompaey (eds) : Ethique, recueil de textes - vol 2. Bruxelles: En Marche, 1993
11. Esophagus : Perforation, Boerhaave's syndrome and Mallory-Weiss syndrome.
L. Michel, J.M. Collard.
In: P. Morris, R.A. Malt (eds): Oxford Textbook of Surgery. Oxford: Oxford University Press, 1994.
12. La pratique clinique quotidienne face aux choix prioritaires en soins de santé.
L. Michel.
In: C. Bert, C. Renard (eds) : Ethique et Santé. Bruxelles: Edition de la Fondation Universitaire de Belgique,

2001. (ISSN 0037-2641)

13. Erreur active et erreur latente dans une société du risque.
L. Michel
In: P. Hupet (ed) : *Risque et systèmes complexes: Les enjeux de la communication*. Berlin-Bruxelles-New York-Oxford-Frankfurt: Presses Interuniversitaires Européennes – Lang, 2001. (ISBN 90-5201-944-4), 97-110.
14. Le syndrome de Petrucciani.
L. Michel.
In: Paul Servais, Robert Steichen (Eds) : *Handicap : Accueil, Solidarité et Accompagnement en famille*. Louvain-la-Neuve : Edition Academia-Bruylant, 2002. (ISBN 2-87209-660-4), 175-213.
15. Avis n° 15 de février 2002 du Comité National de Bioéthique sur les *Questions éthiques relatives à l'Impact du " Résumé Clinique Minimum " (RCM) sur le nombre de journées d'hospitalisation des patients*.
L. Michel, co-rédacteur de l'Avis n° 15. Rapport publié le 11 Mars 2002. <http://www.health.fgov.be/bioeth/>
In: Les avis du Comité consultatif de Bioéthique de Belgique 2004-2005. Editions Lannoo Campus, Leuven, 2005. – ISBN 90 209 6133 0 – NUR 881/740. pp.87-120.
16. Avis n° 18 de septembre 2002 du Comité National de Bioéthique relatif à la *Recherche sur l'embryon humain in vitro*.
L. Michel, co-président de la commission 1/2001 du Comité National de Bioéthique.
<http://www.health.fgov.be/bioeth/>
In: Les avis du Comité consultatif de Bioéthique de Belgique 2004-2005. Editions Lannoo Campus, Leuven, 2005. – ISBN 90 209 6133 0 – NUR 881/740. pp.183-234.
17. La directive anticipée : expression des droits du patient.
Conférence bisannuelle du 25 avril 2001 du Comité National de Bioéthique.
L. Michel, rapporteur de la session " *Mon corps après la mort* ".
Actes de la Conférence. Louvain-la-Neuve: Edition De Boeck Université 2003 :152-156.
18. Avis n° 24 du 13 octobre 2003 du Comité National de Bioéthique relatif aux cellules souches humaines et au clonage thérapeutique.
L. Michel, co-rapporteur et co-président de la commission Embryon-bis du Comité National de Bioéthique.
Avis <http://www.health.fgov.be/bioeth/>
In: Les avis du Comité consultatif de Bioéthique de Belgique 2004-2005. Leuven: Editions Lannoo Campus, 2005. – ISBN 90-209-6133-0 – NUR 881/740, pp.381-426.
19. Traitement des perforations oesophagiennes.
A.Rosière, L. Michel, V. Scavée, S. Mulier, A Khoury.
Paris: Encyclopédie Médico-Chirurgicale – Chirurgie. Juin 2004; Volume 1, Issue 3, pp.211-230.
20. Système digestif et vieillissement. A.Rosière, L. Michel
In: *Le sport après 50 ans*. Louvain-la-Neuve: Edition De Boeck Université, 2005. – ISBN 2-8041-4629-4 - Chapitre 14, pp.105-114.
21. Electrodes and multiple electrodes system for radiofrequency ablation: a proposal for updated terminology.
S. Mulier, y.Miao, P. Mulier, B.Dupas, Ph.Pereira, Th. De Baere, R.Lencioni, R.Leveillee, G.Marchal, L. Michel, Y.Ni.
In: Habib, Nagy, Canelo, Ruben (Eds): *Liver and Pancreatic Diseases management*. Series : *Advances in Experimental Medicine and Biology*, Vol.574, 2006. Heidelberg, Berlin: Springer (ISBN:0-387-28548-2).
22. Avis n° 33 du 7 novembre 2005 du Comité National de Bioéthique relatif aux *Modifications géniques somatiques et germinales à visées thérapeutiques et/ou mélioratives*.

- L. Michel, co-président et co-rapporteur de la commission 1/2001 du Comité National de Bioéthique. Avis n° 33 du 17 février 2006. <http://www.health.fgov.be/bioeth/>
Bioethica Belgica N°25, March 2006, pp.3-37.
In: Les avis du Comité consultatif de Bioéthique de Belgique 2005-2009. Bruxelles: Bernard Gilson Editeur, 2010. – ISBN 13 : 978-2-87269-209-5, pp.9-72.
23. Avis n°42 du 16 avril 2007 du Comité National de Bioéthique relatif aux *Banques de sang du cordon ombilical*.
L. Michel, co-président et co-rapporteur de la commission 2006/2 du Comité National de Bioéthique. <http://www.health.fgov.be/bioeth/>
Bioethica Belgica N°29, Décembre 2007, pp.16-44.
In: Les avis du Comité consultatif de Bioéthique de Belgique 2005-2009. Bruxelles: Bernard Gilson Editeur, 2010. – ISBN 13 : 978-2-87269-209-5, pp.225-280.
24. Avis n°45 du 19 janvier 2009 du Comité National de Bioéthique relatif aux *Banques de matériels corporels humains destinés à la recherche*.
L.Michel, membre de la Commission ad hoc 2006/2 Bis. <http://www.health.fgov.be/bioeth/>
Bioethica Belgica N°32, Février 2009, pp.1-23.
In: Les avis du Comité consultatif de Bioéthique de Belgique 2005-2009. Bruxelles: Bernard Gilson Editeur, 2010. – ISBN 13 : 978-2-87269-209-5, pp.369-410.
25. *La Belgique et Tchernobyl. Rien de rien ?Entretien avec Luc Michel*.
In : M.Molitor. Tchernobyl : déni passé, menace future ? Bruxelles, Edition Racine-RTBF, 2011, pp.224-229.
26. Traitement des perforations oesophagiennes.
A.Rosière, L. Michel, V.Demoor, D.Reverdy.
Paris: Encyclopédie Médico-Chirurgicale – Techniques Chirurgicales – Appareil Digestif. Juin 2012; Volume 7, Issue 1, pp.1-15.

ABSTRACTS & PROCEEDINGS

1. Traitement chirurgical des tumeurs du thymus.
F.Lantin, L. Michel, J. Vandeperre.
75è Congrès of the Association Française de Chirurgie.Paris, Septembre 1973. Actualités Chirurgicales.
Masson, Paris 1974: 128-131.
2. La médiastinoscopie dans la recherche des métastases en chirurgie du cancer.
F. Lantin, J. Vandeperre, L. Michel, A. Lantin.
76è Congrès of the Association Française de Chirurgie. Paris, Septembre 1974.
Actualités Chirurgicales. Masson, Paris 1975: 113-116.
3. L'utilisation de l'épiploon en chirurgie.
F. Lantin, J. Vandeperre, L. Michel, A. Lantin.
76è Congrès of the Association Française de Chirurgie. Paris, Septembre 1974. Actualités Chirurgicales.
Masson, Paris 1975: 485-487.
4. Les complications du cathétérisme de la veine sous-clavière.
L. Michel, F. Lantin, J. Vandeperre, A. Lantin.
76è Congrès of the Association Française de Chirurgie. Paris, Septembre 1974. Actualités Chirurgicales.
Masson, Paris 1975: 220-225.
5. Faux anévrismes de l'artère iliaque externe. Une complication tardive de la chirurgie de la hanche.
F. Lantin, L. Michel, J. Vandeperre, A. Lantin.
Congrès de la Société Royale Belge de Chirurgie. Brussels - Mai 1976.
6. Le problème thérapeutique du cancer du sein opérable.
F. Lantin, A. Maskens, L. Michel, J. Vandeperre.
Meeting de la Société Royale Belge de Chirurgie. Brussels - Avril 1977.
7. Achalasie et cancer de l'oesophage.
J. Vandeperre, L. Michel.
Société Royale Belge de Gastroentérologie. Bruxelles - Mars 1977.
8. Lobectomy with sleeve resection of the main bronchus.
L. Michel, F. Lantin.
First European Symposium of Thoracic Surgery. Nice - April 1977.
9. Indwelling central venous catheters: statistical analysis of factors influencing the risk of microbial or fungal contamination.
L. Michel. 6th International Symposium on Acute Care. Rio de Janeiro - November 1977.
10. Early extubation after cardiac surgery: appraisal of physiological criteria.
L. Michel, J.C. McMichan, H.M. Marsh, K. Redher.
Annual Scientific meeting of the American Society of Anesthesiologists. Chicago - September 1978.
11. Indwelling pulmonary artery catheter contamination or colonization and catheter related sepsis in critically ill patients.
L. Michel, H.M. Marsh, J.C. McMichan.
Annual Scientific Meeting of the Society of Critical Care Medicine. San Francisco - May 1979 and
Combined meeting of the Royal College of Surgeons of Australia and Canada. Sydney - February 1980.
12. Inaccuracy of pulmonary vascular pressures during mechanical ventilation in ARDS.
J.C. McMichan, L. Michel, M.B. Divertie, K.P. Offord, H.M. Marsh.
Annual meeting of the American College of Chest Physicians. Boston - October 1980.
13. Iatrogenic lesions of the esophagus.
L. Michel.
Symposium on Iatrogenic Pathology of the Digestive tract of the Société Royale Belge de

- Gastroentérologie. Brussels - May 1981.
14. Experience with our first 1000 renal transplants.
G. Alexandre, J.P. Squifflet, L. Michel, Y. Pirson, M. Carlier.
Annual meeting of Eurotransplant Organization. Leiden - November 1981.
 15. Intérêt du test à la Pentagastrine en cas d'hypercalcitonémie familiale.
A. Bodson, P. Becquevort, J. Dwelschauvers, L. Michel, G. Alexandre.
Société Belge d'Endocrinologie. Brussels - Mai 1982.
 16. Rupture périnéale et incontinence ano-rectale sur dislocation sacro-iliaque : traitement et résultat fonctionnel.
Th. Mignon, L. Michel, J. Deneufbourg, M. Melange.
Société Royale Belge de Chirurgie. Brussels - Février 1983.
 17. Esophageal perforation. The syndrome and its management.
H. Grillo, E.W. Wikins, L. Michel, R.A. Malt.
Second International Conference on Diseases of the Esophagus. Chicago - September 1983.
 18. Ph-métrie oesophagienne ambulatoire à 2 niveaux simultanément : caractéristiques et applications dans l'asthme.
Ph. Jonard, A. Fatfat, L. Delaunois, L. Michel, M. Melange.
Société Royale Belge de Gastroentérologie. Brussels - Février 1984.
 19. Cryoanalgesie for post-thoracotomy pain relief.
K. Joucken, L. Michel, J.C. Schoevaerds.
50th Annual meeting of the American College of Chest Physicians. Dallas - October 1984.
 20. La chirurgie chez l'opéré cardiaque.
E. Collard, L. Michel.
Société Royale Belge de Chirurgie. Brussels - Octobre 1984.
 21. Aspect particulier des suppurations périanales : la maladie de Verneuil.
J; de Ville de Goyet, Ph. Visée, L. Michel.
Société Royale Belge de Chirurgie. Brussels - Octobre 1984.
 22. Use of hydrocolloid dressing following wide excision of perianal hidradenitis suppurativa.
L. Michel
Royal College of Surgeons. London - December 1984.
 23. Mediastinal tracheostomy for extensive tumor of the thyroid gland invading the trachea. L. Michel.
Lung cancer cooperation group of the EORTC. Gesves - May 1984.
Société Belge de Pneumologie. Brussels - March 1985.
 24. Ph-métrie oesophagienne ambulatoire chez l'asthmatique.
Ph. Jonard, L. Delaunois, B. d'Harvengt, L. Michel, M. Melange, C. Dive.
IX^e Journées Francophones d'Hépatologie et de Gastroentérologie. Brussels - Mars 1985.
 25. Non cardiac surgery in patients with previous coronary artery bypass and/or cardiac valve replacement: a prospective program of perioperative management.
L. Michel, J.M. Collard, Ph. Randour, J. Baillieux.
31st Congress of the International Society of Surgery. Paris - September 1985.
 26. Safety of guidewire change of central vein catheters: a prospective randomized trial. L. Michel, Ph. Randour, K. Joucken, F. Pouthier.
Scientific Symposium of the European Society of enteral and parenteral nutrition.
(Current perspectives in Nutrition and Infection). Jerusalem - March 1988.
 27. Parallel changes of atrial natriuretic factor (ANF) and catecholamines (CAT) during surgery for pheochromocytoma. J. Donckier, L. Michel, E. Collard et al.
XIXth International Congress of Internal Medicine. Brussels - July 1988.
 28. Anévrysme de l'artère gastroduodénale.

- J. Etienne, M. Buche, P. Noirhomme, P. Van Ruyssevelt, Louagie, L. Michel, J.C. Schoevaerdt.
Club des Chirugiens vasculaires de langue française. Février 89.
29. Surgery in chronically steroid-treated patients: a tentative model of risk factors assessment.
R. Reding, L. Michel et al.
XXIVth Congress of the European Society for Surgical Research et Congrès d'Eurochirurgie - Paris
Octobre 1990. Brussels - May 1989.
 30. Morbidité postopératoire des patients cortisonés en chirurgie générale : un modèle d'évaluation du risque.
R. Reding, L. Michel, J. Donckier, L. de Cannière, N. Boulanger, J. Jamart.
Société Royale Belge de Chirurgie. Bruxelles - Octobre 1989.
 31. Plasma Atrial Natriuretic Factor (ANF) before and during excision of pheochromocytoma.
J. Donckier, L.A. Michel, J.M. Ketelslegers, M. Buysschaert. Acta Chirurgica, suppl., mai 1990 : page 32.
Congrès de la Société Royale Belge de Chirurgie. Bruxelles - Mai 1990.
 32. Safe perioperative anesthetic management in patients with pheochromocytoma with IV infusions of Phentolamine, Labetalol and high doses of Fentanyl.
E. Collard, A. Mayne, P. Randour, J. Joucken, L. Michel.
Congress of the European Society of Anesthesiology. Warsaw - September 1990.
 33. Prediction of risk in noncardiac surgery following cardiac surgery.
L. Michel
92^e Congrès Français de Chirurgie. Paris - Octobre 1990.
 34. Plasma catecholamines during surgery of pheochromocytoma and interferences of intraoperative drugs on catecholamine measurement.
F. Galanti, J. Donckier, E. Collard, L. Michel.
European Society for clinical investigation. Pisa, April 1991.
 35. Place résiduelle de la cholécystectomie par minilaparotomie.
L. de Cannière, L. Michel
93^e Congrès Français de Chirurgie. Paris - Octobre 1991.
 36. Impact objectif des infections à Clostridium difficile en milieu chirurgical général.
L. de Cannière, L. Michel, M.G. Garrino, F. Pouthier.
93^e Congrès Français de Chirurgie. Paris - Octobre 1991.
 37. Massive splenomegaly : surgical indications
L. Michel, L. de Cannière.
93^e Congrès Français de Chirurgie. Paris - Octobre 1991.
 38. Surgery for massive splenomegaly and lymphoma.
L. Michel, L. de Cannière.
Sixth European Conference on Clinical Oncology. Florence - November 1991.
 39. L'hyperparathyroïdisme primaire.
Participation au rapport présenté au 93^{ème} Congrès de l'Association Française de Chirurgie, Paris 1991.
L. Michel, In : J. Barbier, J.F. Henry (eds). Springer-Verlag - Berlin, New-York 1991.
 40. Intra-abdominal injury following blunt trauma.
L. de Cannière, L. Michel, J.P. Trigaux, J. Jamart.
Eurosurgery. Rome. Br. J. Surg., 1992; 79(S): 31.
 41. Abdominoperineal excision of rectum without transfusion and with primary closure of perineal wound.
L. Michel, L. de Cannière.
Eurosurgery. Rome. Br. J. Surg 1992; 79(S): 148-149.
 42. Benign tumors of the upper gastro-intestinal tract. A review of 178 surgical cases (Belgian multicentric study).
P. Mendes da Costa, A. Beernaerts, A. Albadi, L. Michel, J.A. Gruwez, et al.
Combined Turkish and Belgian Congress of Surgery. Istanbul - Mai 1992.

43. Adult intestinal intussusception. A. Rosière, R. Frangi, L. de Cannière, L. Michel.
Société Royale Belge de Chirurgie. Bruxelles - October 93.
44. Retroperitoneoscopic surgery on an animal model.
L. de Cannière, F. Lorge, L. Michel.
Société Royale Belge de Chirurgie. Bruxelles - December 93.
45. Partial nephrectomy by retroperitoneoscopy.
L. de Cannière, F. Lorge, L. Michel.
Société Royale Belge de Chirurgie. Bruxelles - December 93.
46. Adrenalectomy by retroperitoneoscopy.
L. de Cannière, F. Lorge, L. Michel.
Société Royale Belge de Chirurgie. Bruxelles - December 93.
47. Développement de la rétroperitonéoscopie sur modèle animal.
L. de Cannière, A. Rosière, L. Michel. II^{ème} Congrès Francophone de Coelio-Chirurgie.
Deauville - Avril 94.
48. Abord rénal et surrénalien par rétroperitonéoscopie.
L. de Cannière, A. Rosière, L. Michel; II^{ème} Congrès Francophone de Coelio-Chirurgie.
Deauville - Avril 94.
49. Training "at home" in videoscopic surgery : the farm pig a convenient model for laparoscopic and retroperitoneoscopic approaches.
L. de Cannière, A. Rosière, L. Michel.
4th World Congress of Endoscopic Surgery, Kyoto - June 94 (abstract n° 307).
50. Retroperitoneoscopic Renal and Adrenal Surgery.
L. de Cannière, F. Lorge, L. Michel.
4th World Congress of Endoscopic Surgery. Kyoto - June 94 (abstract n°306).
51. Retroperitoneal endoscopic partial nephrectomy.
L. de Cannière, F. Lorge, L. Michel, P. Van Cangh.
American Urological Association annual meeting. San Antonio, Texas - May 1994.
52. From retroperitoneoscopic training on animal model to adrenal and renal surgery in human. L.de Cannière, L. Michel.
Wilson T.S. Wang International Surgical Symposium. Peking, China - November 1994
(abstract n°53).
53. Surrénalectomie endoscopique: Abord extrapéritonéal, intrapéritonéal ou combiné?
L. de Cannière, F. Lorge, A.Rosière, JP. Squifflet, L.A. Michel.
4^{ème} congrès de l'Association Francophone de Chirurgie Endocrinienne.Bruxelles - Juin 95
3^{ème} Congrès Francophone de Coeliochirurgie. Deauville - Avril 1995.
54. Surrénalectomies sous coelioscopie : Etude de 15 cas dans le cadre du Belgian Group for Endoscopic Surgery (BGES)
L. de Cannière, A.Rosière, L.Michel
3^{ème} Congrès Francophone de Coeliochirurgie. Deauville - Avril 1995.
55. Which approach for renal and adrenal endoscopic surgery? Coelioscopic, retroperitoneoscopic or both?
L. de Cannière, F. Lorge, JP. Squifflet, L. Michel
Third International Congress on New Technology and Advanced Techniques in Surgery. Luxemburg - June 1995.
56. Videoscopic adrenalectomy: multicentric study of the Belgian Group for Endoscopic Surgery.
Vereecken L., de Cannière L., Hamoir E., Hubens G., Meurisse M., Michel L.
Congrès de la Société Royale Belge de chirurgie. Bruxelles - Mai 1995.
57. Rétropneumopéritoine : technique et indications.

- L.de Cannière, L.Michel
III^{ème} Congrès Francophone de Coeliocirurgie. Deauville - Avril 1995.
58. Renal videosurgery: extra and intraperitoneal approach.
L.de Cannière, L. Michel BGES. Vidéo-Session.
Bruxelles - March 1995.
 59. Laparoscopic adrenalectomy.
L.de Cannière, L. Michel
Third International Congress on New Technology and Advanced Techniques in Surgery. Luxemburg – June 1995.
 60. Renal and adrenal laparoscopic surgery : transperitoneal or retroperitoneal approach ?
F.Lorge, L.de Cannière, C. Chatzopoulos, L. Michel, FX.Wese, P. Van Cangh.
13th World Congress on Endourology and ESWL. Jerusalem - November 1995.
 61. Chirurgie laparoscopique du rein et de la surrénale. Abord transpéritonéal ou rétropéritonéal ?
F.Lorge, L.de Cannière, C. Chatzopoulos, L. Michel, FX.Wese, P. Van Cangh.
89^{ème} Congrès Français d'urologie. Paris - Novembre 1995.
 62. CO₂ insufflation of the retroperitoneum under coelioscopic control for renal and adrenal surgery.
L. de Cannière, L. Michel, F. Lorge, A. Rosière, P.Vandenbossche.
Société Royale Belge de Chirurgie. Bruxelles - Décembre 1995.
 63. Les traumatismes de l'oesophage.
L. Michel. Participation au rapport présenté au 97^{ème} Congrès de l'Association Française de Chirurgie. Paris 1995. In: M. Célérier, B. Gayet (eds), Monographie de l'Association française de Chirurgie. Arnette Blackwell - Paris, 1995
 64. Splenectomy for massive splenomegaly.
L.A. Michel, L.de Cannière, P. Vandenbossche, A. Rosière.
UCLA at Cedars-Sinai Medical Center - International Symposium on "Advances in diagnosis and treatment of splenic disorders". Los Angeles - February 1996.
 65. Diagnostic value of spiral CT cholangiography (SCTC) in anicteric enzymatic cholestasis.
M. Lacrosse, T. De Ronde, P. Nguyen, L. de Cannière, B. Van Beers, J. Jamart, M. Melange, L. Michel, J. Pringot.
The Belgian week of Gastroenterology. Knokke - March 1996. Acta Gastroenterol. 1996; 59: C39.
American Gastroenterological Association and American Association for the study of Liver Diseases. San Francisco - May 1996. Gastroenterology 1996; 110: A1245 (Suppl. April 1996).
 66. CO₂ Retropneumoperitoneum under coelioscopic control for renal and adrenal surgery.
L. de Cannière, L. Michel, F. Lorge, A. Rosière.
8th VideoUrology World Congress. Antwerp - June 1996.
 67. Retroperitoneal endoscopic partial nephrectomy
L. de Cannière, F. Lorge, S. Nesa, F. Wese, R. Opsomer, L. Michel, P. van Cangh.
8th VideoUrology World Congress. Antwerp - June 1996.
 68. CO₂ Retropneumoperitoneum under coelioscopic control for renal and adrenal surgery.
L. de Cannière, L. Michel, F. Lorge, A. Rosière
4th international Congress of the European Association for Endoscopic Surgery. Trondheim, Norway - June 1996.
Surg. Endosc. 1996; 10: 589.
 69. Retroperitoneal endoscopic partial nephrectomy
L. de Cannière, F. Lorge, A. Rosière, L. Michel
Society of Laparoscopic Surgery and Stapling. Bucarest - September 1996.
 70. Laparoscopic treatment of an epidermic splenic cyst.
E. Ladha, L. de Cannière, A. Rosière, L. Michel
Romanian Society of Laparoscopic Surgery and Stapling. Bucarest - September 1996.

71. Endoscopic adrenalectomy: trans- versus retro-peritoneal approach, or both?
L. de Cannière, A. Rosière, L. Michel Romanian
Society of Laparoscopic Surgery and Stapling. Bucarest - September 1996.
72. CO₂ retroperitoneum under coelioscopic control for renal and adrenal surgery
L. de Cannière, F. Lorge, A. Rosière, L. Michel
Romanian Society of Laparoscopic Surgery and Stapling. Bucarest - September 1996.
73. Surgical management of substernal goitres.
L. Michel, P. Schroeyers, L. de Cannière, A. Rosière.
6th European Congress of Surgery. Rome 1996. Br J Surg 1996; 83(S): 47.
74. CO₂ retroperitoneum under coelioscopic control for renal and adrenal Surgery.
L. de Cannière, L. Michel, F. Lorge, A. Rosière.
6th European Congress of Surgery. Rome 1996. Br J Surg 1996; 83(S): 40.
75. Evaluation des traumatismes spléniques au moyen du CT scan spirale avec reconstruction en 3 dimensions:
Un outil pour la décision chirurgicale?
L. Michel, M. Lacrosse, P. Vandebossche, L. de Cannière, A. Rosière.
98^e congrès de l'Association Française de Chirurgie. Paris 1996. Annales de Chirurgie 1996; 50 (S): 35.
76. Les traumatismes fermés du foie.
Participation au rapport présenté au 98^e congrès de l'Association Française de Chirurgie. Paris 1996.
L. Michel, In: C. Letoubon, D. Castaing (eds), Monographie de l'Association française de Chirurgie. Arnette
Blackwell - Paris, 1996.
77. Current state and trends in minimal access surgery in Europe.
L. de Cannière, L. Michel
Participation au rapport sur "Operative and technology review of the European Association for Endoscopic
Surgery". In : JJ. Jakimowicz (ed), J.Coll.Surg.Edinburg 1996; 40: 397-406.
78. Surgery as a "last resort" option for active variceal bleeding further complicated by iatrogenic oesophageal
perforation.
L.A. Michel, L. Decannière, A. Rosière, P. Vandebossche, K. Joucken.
Société Royale Belge de Chirurgie. Bruxelles - Janvier 1997. Acta Gastro-Enterolog 1997; 60: C85.
79. Gastric volvulus: a new etiology.
V. Scavée, L.A. Michel, L. Decannière, M. Buche, A. Rosière.
Société Royale Belge de Chirurgie. Bruxelles - Janvier 1997. Acta Gastro-Enterolog. 1997; 60: C91.
80. Severe blunt abdominal traumas: contribution of spiral CT with three-dimensions reconstruction (3D CT) to
the surgical decision process?
L.A. Michel, M. Lacrosse, L. Decannière, A. Rosière, P. Vandebossche, JP. Trigaux.
Société Royale Belge de Chirurgie. Bruxelles - Janvier 1997. Acta Gastro-Enterolog 1997; 60: C104.
81. Endoscopic adrenalectomy: multicentric study of the Belgian group for endoscopic surgery.
L. Michel, L. de Cannière, E. Hamoir, M. Meurisse, JP. Squifflet, G. Hubens
Scientific session of the Society of American Gastrointestinal Endoscopic Surgeons (SAGES).
San Diego - March 1997. Surg Endosc 1997; 11: 183.
82. Risk of visceral ischemia in abdominal aortic aneurysm surgery.
T. Thomas, Ph. Eucher, M. Buche, Y. Louagie, P. Noirhomme, L. Michel, JC. Schoevaerdt.
Annual Congress of the Royal Belgian Society of Surgery. Brussels - April 1997.
83. Experience of the Belgian Group for Endoscopic surgery with proposed criteria regarding endoscopic
removal of adrenal "incidentalomas".
L. Michel, L. de Cannière, E. Hamoir, G. Hubens, M. Meurisse, JP. Squifflet, P. Urbain, L. Vereecken.
International Consensus Conference on the management of "non-functioning"adrenal tumors. Athens -
September 1997.
84. Criteria for endoscopic adrenalectomy for "incidentalomas".
L. Michel, L. de Cannière.

European Society of Surgery 1st Annual Meeting. Rome - December 1997.

85. Laparoscopic resection for pheochromocytoma : predictive factors for peroperative difficulties. L. de Cannière, L. Michel, E. Collard, J. Donckier.
-6th World Congress of Endoscopic Surgery and International Congress of European --Association for Endoscopic Surgery. Rome - May 1998, (abstract O.535) *Surg Endosc* 1998; 12: 611.
-Congress of EuroSurgery 98. Budapest - June 1998. *Br J Surg* 1998; 85 suppl: 134.
86. Extraperitoneal endoscopic nephrectomy using pneumoretroperitoneum under coelioscopic control.
L. de Cannière, F. Lorge, L. Michel, A. Rosière.
-6th World Congress of Endoscopic Surgery and International Congress of European Association for Endoscopic Surgery. Rome - May 1998, (abstract V.186) *Surg Endosc* 1998; 12: 792.
-Congress of EuroSurgery 98. Budapest - June 1998. *Br J Surg* 1998; 85(S): 114.
87. Adrenal Incidentalomas: the BGES experience.
L. Michel, L. de Cannière, E. Hamoir, G. Hubens, M. Meurisse, JP. Squifflet.
Congress of EuroSurgery 98. Budapest – June 1998. *Br J Surg* 1998; 85(S): 60.
88. Surgical safety and evaluation of blood pressure profile during laparoscopic resection of phaeochromocytoma.
V. Col, L. de Cannière, E. Collard, L. Michel, J. Donckier.
Joined meeting of the Belgian Committee for Hypertension and the Dutch Society of Hypertension.
Luxembourg - October 1998.
89. Le traitement du cancer du corps thyroïde.
L. Michel.
Participation au rapport du 100^e Congrès de l'Association Française de Chirurgie. Paris – Octobre 1998.
90. Management of persistent or recurrent rise in thyroglobuline after surgery for highly differentiated thyroid carcinoma. L. Michel.
Participation in the Study of the International Association of Endocrine Surgeons (IAES). Forte Dei Marmi, Italie - September 1998.
91. Morbidité de la thyroïdectomie totale chez le sujet de moins de 15 ans. Etude multicentrique de 107 cas.
Participation à l'étude et au rapport de l'Association Francophone de Chirurgie Endocrinienne (AFCE) et du Groupe d'Etude des Tumeurs à Calcitonine (GETC).
L. Michel. *Annales d'Endocrinologie* 1998; 59: 93-98.
92. Selective problems of adrenal videoscopic surgery: pheochromocytoma and incidentaloma.
L. de Cannière, A. Rosière, L. Michel
Consensus conference on videoscopic endocrine surgery, Rijks Universiteit Gent, October 19, 1998.
93. The duodenal switch operation.
L. Michel. Chairmanship of the visio-conference with R. Hindler, Mayo Clinic. Journées Chirurgicales de l'UCL, 20 November 1998.
94. Recurrence of rectal cancer.
L. Michel. Chairmanship of the visio-conference with R. Dozois, Mayo Clinic. Journées Chirurgicales de l'UCL, 20 November 1998.
95. Some tricks worth to know for removal of substernal goitres by cervical approach.
L. Michel, Alain Rosière, Louis de Cannière
Société Royale belge de Chirurgie, Bruxelles, 11 December 1998.
96. Pheochromocytoma and kidney endoscopic resection in children.
L. de Cannière, E. Bodart, L. Lorge, J. Donckier, L. Michel.
VIIIth International Congress for Endosurgery in Children, Berlin, April 26-30, 1999.
97. Screening for Endocrine Disease.
L. Michel, participant to the survey of the International Association of Endocrine Surgeons (ed. Delbridge L) presented at the plenary session of the IAES Meeting, Acapulco, August 1998.
98. Exérèse laparoscopique du phéochromocytome: facteurs prédictifs de difficultés opératoires?

- L. de Cannière, L. Michel, E. Collart, J. Donckier.
VI^e Congrès de l'Association Francophone de Chirurgie Endocrinienne, Lille, Juin 1999.
99. The perineal stage of synchronous abdominoperineal resection of the rectum.
L. Michel, A. Rosière, L. de Cannière. Société Royale belge de Chirurgie, Bruxelles, 10 December 1999.
100. Le syndrome de Petrucciani.
L. Michel.
Colloque de l'Institut d'Etudes de la Famille et de la Sexualité, Université Catholique de Louvain, 23 mars 2000. Actes du colloque "Handicap, famille et société. Un défi au sens", 2000, I, pp.1-14.
101. Outbreak of thyroid papillary carcinoma in children. A Chernobyl connection?
DJ. Blackburn, LA. Michel, A. Rosière, JP. Trigaux, JE. Donckier.
European Society for Paediatric Endocrinology, 39th Annual Meeting, Brussels, 17 September 2000.
Hormone Research 2000; 53(S):105.
102. Prise en charge des traumatismes du foie.
Rosière, LA. Michel.
102^{ème} Congrès Français de Chirurgie, Paris, 6 octobre 2000. Annales de Chirurgie, 2000; 125: 691.
103. Practical issues with collecting individual patient data for Meta-Analysis: The Experience of the EU Hernia Trialists Collaboration.
L. Michel, participant to the European Union Hernia Trial.
8th International Cochrane Colloquium, Cape Town, South Africa, October 25, 2000.
104. An old challenge in Endocrine Surgery: management of substernal goitre.
L. Michel
Invited lecture at the 4th International Congress of the European Society of Surgery, Krakow, Poland, 5 December 2000. Przegląd Lekarski (Poland), 2000; 57(S): 92-93.
105. A new challenge in Endocrine Surgery: endoscopic removal of adrenal tumors.
L. Michel
Invited lecture at the 4th International Congress of the European Society of Surgery, Krakow, Poland, 5th December 2000. Przegląd Lekarski (Poland), 2000; 57(S): 94-95.
106. Evolution dans la prise en charge des traumatismes abdominaux.
L. Michel. Réunions scientifiques annuelles du Département de Chirurgie de l'UCL, Bruxelles, 26 mars 2001.
107. Intraoperative gamma probe detection of insulinoma.
Y. Ernst, V. Roelants, T. Vander Borght, E. Delgrange, L. Michel, J. Donckier.
Xth Triennial Symposium of the Belgian Society for Nuclear Medicine, Knokke, 19 mai 2001. Tijdschr Nucl Geneeskde 2001; 24: 82.
108. Endothelin-1 overexpression in thyroid papillary carcinoma.
X. Havaux, R. Van Beneden, M. Delos, L. Michel, J. Donckier.
27th Annual Meeting of the European Thyroid Association, Warsaw, 6 April 2001.
J. Endocrinol. Invest. 2001; 24(S): 45.
109. Table ronde "Mon corps après la mort" lors de la Conférence bisannuelle du Comité National de Bioéthique du 25 avril 2001.
L. Michel, chairman et rapporteur des thèmes " *Le long chemin menant au prélèvement d'organes* " et " *La directive anticipée, comme expression des droits du patient* ".
110. Endothelin-1 expression in different thyroid diseases.
R. Van Beneden, X. Havaux, M. Delos, L. Michel, J. Donckier. 7th International Conference on Endothelin Edinburgh, September 16, 2001.
111. Gunshot wound of the esophagus.
G. Lawson, I. Plouin, A. Rosière, L. Michel, M. Remacle.
European Society of Surgery 5th Annual Meeting, University Hospital Gasthuisberg, Leuven - Belgium,

November 2001.

112. Adjuvant mitotane therapy for adrenocortical carcinoma.
L. Michel, J. Donckier.
Participation to the Survey of the American College of Surgeons - Oncology Group (Study Z2000). December 2001.
113. Surgical treatment for pT4 papillary, follicular or Hürthle cell cancers.
L. Michel, A. Rosière, J. Donckier.
Participation to the Survey of the American College of Surgeons - Oncology Group (Study 20240). December 2001.
114. Laparoscopic Adrenalectomy: Multicentric Belgian Experience.
L. Michel.
8th European Congress of Video Surgery (abstract n°67). Brugge, March 7, 2002.
115. Increased expression of Endothelin-1 and its mitogenic receptor (ETAR) in human thyroid cancer.
L. Michel, J. Donckier, R. Van Beneden, M. Delos, X. Havaux.
Réunion scientifique annuelle du Département de Chirurgie de l'UCL, Brussels, 10 June 2002.
116. Le secret médical, aspect éthique. L. Michel.
Horizons 2002; 4: 29-31.
117. Complications of radio-frequency coagulation (RFC) of liver tumours in 3670 patients: rate, prevention and treatment.
S. Mulier, P. Mulier, Y. Ni, Y. Miao, B. Dupas, G. Marchal, I. de Wever, L. Michel.
30th Grenslandsymposium on Surgery for Metastases, Leuven, 13 September 2002.
118. Place et intérêt de la navigation radio-isotopique intra-opératoire dans la résection de tumeur neuro-endocrine. Rosière, L. Michel, J. Donckier, Th. Vander Borgh, S. Mulier, A. Houry.
Réunions scientifiques trimestrielles du Département Facultaire de Chirurgie de l'U.C.L. Bruxelles, 28 octobre 2002.
119. Management of late esophageal perforations.
Rosière, S. Mulier, A. Houry, L. Michel (F039)
6th International Congress of the European Society of Surgery, Budapest, 29 November 2002.
120. Complications of radiofrequency coagulation (RFC) of liver tumours: rate, causes, prevention and treatment.
Mulier S, Mulier P, Ni Y, Miao Y, Dupas B, Marchal G, De Wever I, Michel L.
Acta Gastroenterologica Belgica 2002; fasc 1, D43.
121. Complications of radio-frequency coagulation (RFC) of liver tumours: rate, causes, prevention and treatment (F075).
S. Mulier, Y Ni, Y. Miao, B. Dupas, G. Marchal, I. De Wever, L. Michel.
6th International Congress of the European Society of Surgery, Budapest, 30 November 2002.
122. Surexpression de l'endothéline-1 dans diverses pathologies de la thyroïde.
J. Donckier, L. Michel.
Réunion de Recherche du Département de Médecin Interne de l'U.C.L. – 11 février 2003.
123. Endothelin-1, a new peptide involved in human thyroid diseases?
J. Donckier, L. Michel.
Société Belge de Médecine Interne, Université Libre de Bruxelles – Campus Erasme, 29 mars 2003. Acta Clinica 2003; 58: 3.
124. Surexpression de l'endothéline-1 et de son récepteur mitogène ETAR dans le cancer papillaire de la thyroïde. L. Michel, J. Donckier.
VIII^{ème} Congrès de l'Association Francophone de Chirurgie Endocrinienne.
Ecole de Médecine de l'Université Paris V René Descartes, 12-14 juin 2003.
125. Hepatic Radiofrequency Coagulation : Less Local Recurrence After Surgical Approach
Mulier S, Ni Y, Rosière A, Houry A, Jamart J, Marchal G, Michel L.

European Cancer Conference - ECCO, Copenhagen, 23 September 2003

126. Hepatic radiofrequency coagulation: less local recurrence after surgical approach.
S. Mulier, J. Jamart, L. Michel.
Eur J Surg Oncol 2004, 30 :193-194. (ESSO Budapest, April 2004)
127. Hepatic radiofrequency coagulation: percutaneous or surgical approach? A multivariate meta-analysis.
S. Mulier, Yicheng Ni, Jacques Jamart, Theo Ruers, Guy Marchal, Luc Michel.
Acta Gastroenterologica Belgica 2005, D69 (Belgian Week of Gastroenterology, Spa, February 2005)
128. To live or not to live with an adrenal incidentaloma?
L. Michel. Sixth Belgian Surgical Week, Ostende, April 30, 2005.
129. Intérêt de l'examen ophtalmologique dans le diagnostic de néoplasie endocrinienne multiple de type IIb.
Levecq L, Donckier J, Michel L, Hoebeke M, Godfraind C, Guagnini AP, Kozyreff A.
113^{ème} Congrès de la Société Française d'Ophtalmologie, Paris, Mai 2007.
130. Interest of the ophtalmologic examination in the diagnosis of multiple endocrine neoplasia type 2B.
Levecq L, Donckier J, Michel L et al.
Joint Congress of the European Society of Ophtalmology and the American Academy of Ophtalmology, Vienna, June 2007. European Journal of Ophtalmology 2007;17:211 (EP-PAT-752)
131. Radiofrequency ablation for resectable colorectal liver metastases: has the time come?
S. Mulier, L. Michel, T. Ruers, J. Jamart, G. Marchal, Y. Ni.
Acta Gastroenterologica Belgica 2008, D105 (Belgian Week of Gastroenterology, 2008)
132. Videoscopic adrenalectomy: How I do it?
Michel L, Rosière A, Mulier S.
Session of the 10th Belgian Surgical Week. Acta Chirurgica 2009; 109 Suppl. n°2: 93.
133. Quality of care in Surgery: Can legislation make the difference?
Michel L. - Inaugural session of the 12th Belgian Surgical Week, Ostende 12 May 2011.
Acta Chirurgica 2011, 111 Suppl. N°3: 82.
134. Optimization of the management strategy in patients with blunt splenic injury: A delphi study. The PLYTHIA collaboration group at the Academic Medical Center – University
L. Michel participated in the Study from 2010 to 2012.
135. Is there a rationale to perform MR Imaging before surgery for primary hyperparathyroidism?
MRI Surgical Anatomy. L. Michel
Session on Parathyroid Gland of the Belgian Section of Endocrine Surgery at the 13th Belgian Surgical Week, Spa, May 11, 2012. Acta Chirurgica 2012, 112 Suppl. N°3: 128.
136. « Five Centuries of Common Mental Being between Europe and Turkey » - Opening Ceremony Speech of L. Michel at the XVIth Annual Meeting of the European society of Surgery, Istanbul, November 22, 2012.
137. Epistemology of Evidence Based Surgery.
L. Michel – Plenary Session Lecture at the XVIth Annual Meeting of the European Society of Surgery, Istanbul, November 23, 2012.

CONFERENCES (sur invitation) et/ou Scientific Session Chairmanship

1. Résection bronchique avec bronchoplastie dans la chirurgie du carcinôme bronchique.
L. Michel. Symposium de l'Association française de Chirurgie. Nice, Septembre 1976.
2. Early extubation after cardiac surgery : appraisal of physiological criteria.
L. Michel. Meeting of the Chest Medicine Services of the Mayo Clinic. Rochester, Mn. July 1978.
3. Management of ARDS after esophageal perforation.
L. Michel. Meeting of the Respiratory and Intensive Care Service of the Mayo Clinic.
Rochester, Minnesota. September 1978.
4. Hyperalimentation techniques in surgical patients.
L. Michel. Harvard Medical School and Massachusetts General Hospital.
Postgraduate course in General Surgery. Boston, May 1980 and October 1980.
5. Parenteral versus Enteral Hyperalimentation.
L. Michel. Harvard Medical School and Massachusetts General Hospital.
Postgraduate course in Internal Medicine. Boston, May 1980.
6. Nutrition of trauma patients.
L. Michel. Harvard Medical School and Massachusetts General Hospital.
Postgraduate course in Trauma. Boston, September 1980.
7. Trace elements, Vitamins and Electrolytes requirements during parenteral nutrition.
L. Michel. Harvard Medical School and Massachusetts General Hospital. Postgraduate
course in Nutritional support for the hospitalized patient. Boston, November 1980.
8. Infection due to intravascular catheterization.
L. Michel. Keynote Lecture at the Symposium on Current Status of Nosocomial Infection. XII World Congress
of Anatomic and Clinical Pathology. Tokyo, October 1983.
9. Surgical Infections.
L. Michel. Lecturer and Chairman of the session. XII World Congress of Anatomic and Clinical Pathology.
Tokyo, October 1983.
10. Post-emetic lesions of the gastroesophageal junction.
L. Michel. Chinese University of Hong Kong. Department of Surgery (Pr. A. Li). Hong Kong, October 1983.
11. Infection due to catheters used for invasive hemodynamic monitoring.
L. Michel. Keynote Lecture at the Fifth International Symposium on Intensive Care and Emergency
Medicine (Pr. J.L. Vincent). Brussels, March 1985.
12. Chirurgie de l'obésité morbide. Prévention justifiée ?
L. Michel. Journée d'enseignement post-universitaire de l'Association des Médecins Anciens Etudiants de
l'Université de Louvain. Bruxelles, Mai 1985.
13. La chirurgie chez les personnes âgées : aspect démographique, résultats objectifs, philosophie du traitement
chirurgical.
L. Michel. Journées d'enseignement post-universitaire de l'Association des Médecins Anciens Etudiants de
l'Université de Louvain. Mont-Godinne, Mars 1986
14. Infections noscomiales liées aux cathétérismes intravasculaires prolongés. Définition, incidence et prophylaxie.
15. L. Michel. Congrès de la section belge du Collège International de Chirurgie.
Genval, Octobre 1986. Conférence et Modération de la session consacrée aux Infections Nosocomiales.
16. Les problèmes chirurgicaux chez le cardiaque.
L. Michel. 4^{ème} Congrès de Cardiologie de Langue Française. Bruxelles, Avril 1987.
17. Chirurgie des goitres plongeants et intrathoraciques.

L. Michel. Symposium des Sociétés Roumaines de Chirurgie, de Médecine Légale et du Collège des médecins, Bucarest, 21 mai 1998.
 58. Critères de résection vidéoscopique des incidentalomes surrenaliens : expérience de quatre centres universitaires belges.
L. Michel. Journée de Recherche du Département de Chirurgie de l'UCL. Bruxelles, 26 juin 1998.
 59. Aspects éthiques du consentement éclairé.
L. Michel. Société Scientifique de Médecine Générale de la province de Liège. Spa, 26 septembre 1998.
 60. Evaluation des traumatismes abdominaux fermés.
L. Michel. Association des médecins conseils et d'expertise. Champlon, 17 novembre 1998.
 61. Sentinel-lymph-node biopsy for breast cancer.
L. Michel. Invited discussant for the *Prize Papers Session* of the annual meeting of the European Society of Surgery. Hammersmith Hospital, London, 3-5 December 1998.
 62. Le respect de la protection de la vie privée.
L. Michel. Congrès national de Femarbel (Fédération des maisons de Repos de Belgique). Wepion, 17 décembre 1998.
 63. La pratique clinique quotidienne face aux choix prioritaires en soins de santé.
L. Michel.
Keynote Lecture lors du Forum " *Une société pour tous les âges* " dans le cadre de l'année internationale des personnes âgées. Parlement de Belgique, Bruxelles, 16 mars 1999.
 64. Jusqu'où l'économie de la santé est-elle éthique ?
L. Michel. Société scientifique de Médecine générale.
Eghezee, 25 mars 1999.
 65. *Creaming* et *Dumping* en soins de santé.
L. Michel. Séminaire "Ethique et Management" de l'Ecole de Santé Publique de l'U.C.L.
Bruxelles, 28 avril 1999.
 66. Le consentement éclairé du patient.
L. Michel. Réunion annuelle du Club des Chirurgiens vasculaires belges.
Namur, 11 juin 1999.
 67. Critères prédictifs de difficulté de la résection endoscopique de Phéochromocytomes.
L. Michel. Journée de Recherche du Département de Chirurgie de l'UCL. Bruxelles, Juin 1999.
 68. Diagnosis and management of oesophageal perforations
L. Michel. Invited Keynote Lecture at the Latvijas Medicinas Akademija, Riga, September 17, 1999.
 69. Endoscopic adrenal surgery.

- L. Michel. Invited lecturer by the Latvijas Medicinas Akademija, Riga, September 18, 1999.
70. Modern diagnostic tools for blunt abdominal trauma.
L. Michel. Invited lecturer by the Latvijas Medicinas Akademija, Riga, September 19, 1999.
71. European guidelines and rules for medical research on human.
L. Michel. Invited lecturer by the Latvijas Medicinas Akademija, Riga, September 20, 1999.
72. The European Society of Surgery as a bridge between Eastern and Western Europe
L. Michel. Keynote Lecture at the Jagiellonian University, Cracovie, October 23, 1999.
73. Future and perspectives of the European Society of Surgery (ESS) in the changing world.
L. Michel. Guest lecturer for the opening ceremony of the Annual Congress of the ESS, Charité University Hospital of the Humboldt University of Berlin, December 3, 1999.
74. Chairman of the Free Papers session of the 1999 Annual Congress of the ESS, Berlin, December 4, 1999
75. Co-chairman of the Prize session of the 1999 Annual Congress of the ESS, Berlin, December 5, 1999.
76. *Le managed care à nos portes? La pratique clinique face aux choix prioritaires en soins de santé.*
L. Michel Fédération des Associations de Médecins Généralistes de Bruxelles (FAMGB), Bruxelles 21 janvier 2000.
77. The surgical risk : what can be expected from Evidence Based Medicine?
L. Michel. Lecturer for the Postgraduate course of the European School of Transfusion Medicine, Brussels, 27 February 2000.
78. Participation of the European Society of Surgery in the Program “ Quality of Life ” of the European Commission (FP6).
L. Michel. Executive Committee of the European Society of Surgery, Jagiellonian University, Cracovie, April 8, 2000.
79. Euthanasia as an example of conflict between ethical precepts and entitlements rights.
L. Michel. Keynote Lecturer and Co-chairmanship of the session “ Euthanasia ” at the Belgian Surgical Week, Knokke, April 28, 2000.
80. Integration of the Hungarian Society of Surgery in the European Society of Surgery.
L. Michel. Hungarian Society of Surgery 55th National congress, Györ, June 16, 2000.
81. Practical collaboration of the European Society of Surgery to the European Union Hernia Trial.
L. Michel. 3rd Collaborators Meeting of the EU Hernia Trial, Oxford, Worcester College, September 15-16, 2000.
82. Pathophysiologie de la métaplasie de Barrett et adénocarcinome de l’œsophage.
L. Michel. Chairmanship of la session des Deuxièmes Journées Chirurgicales de l’UCL. Bruxelles, 10 novembre 2000.
83. The European Society of Surgery: a tool to bridge the gap between former Eastern and Western Europe!
L. Michel. Opening Address of the 4th International Congress of the ESS. Jagiellonian University, Krakow, 3rd December 2000.
84. Circulating micrometastatic cells in gastrointestinal cancer.
L. Michel. Chairman of the Opening Lecture of the 4th International Congress of the European Society of Surgery, Krakow, Poland, 4th December 2000.
85. An old challenge in Endocrine Surgery: management of substernal goitre.
L. Michel. Invited lecture at the 4th International Congress of the European Society of Surgery, Krakow, Poland, 5th December 2000.
86. A new challenge in Endocrine Surgery: endoscopic removal of adrenal tumors.
L. Michel. Invited lecture at the 4th International Congress of the European Society of Surgery, Krakow, Poland, 5th December 2000.
87. Chairman Awards Session of the 4th International Congress of the European Society of Surgery, Krakow.
L. Michel. Poland, Krakow, Poland, 6th December 2000.
88. Le goitre rétrosternal.
L. Michel. Pièges diagnostiques et traitement. Séminaire d’Endocrinologie de l’UCL, 27 janvier 2001.
89. Quel accès aux soins en 2001? Le point de vue d’un médecin éthicien.
L. Michel. Groupe de réflexion éthique de la Commission du Réseau Hospitalier Universitaire (CRHU) 2 février 2001.
90. La directive anticipée : expression des droits du patient. Conférence bisannuelle du Comité National de Bioéthique.
L. Michel, rapporteur de la session “ *Mon corps après la mort* ”. Bruxelles, Palais des Congrès, 25 avril 2001.
91. Le pouvoir médical!
L. Michel. Dixième réunion annuelle de l’Académie Inter-Universitaire de Pneumologie Pédiatrique. Université Libre de Bruxelles (ULB) - Hôpital Brugmann, Bruxelles, 28 avril 2001.
92. Adrenal incidentalomas: where are we in the new millenium?
L. Michel. Keynote Lecture at the Belgian Week of Surgery Knokke, 4 mai 2001.

93. Informed consent: ethical aspects.
L. Michel. Keynote Lecture at the Xth Triennial Symposium of the Belgian Society of Nuclear Medicine. Knokke, 20 mai 2001.
94. Secret médical et dossier informatique
L. Michel. Session “ *L’informatique au service du médecin* ” des Journées AMA-UCL de L’Ascension 2001. UCL-Bruxelles, 24 mai 2001.
95. Ethique, Innovations Médicales et Expérimentations Chirurgicales.
L. Michel. Unions des Médecins de la Province de Namur et Société Scientifique de Médecine Générale Contre Hospitalier Régional du Val de Sambre, 8 septembre 2001.
96. Blunt abdominal trauma.
L. Michel. Invited Keynote Lecture at the 4th Alps-Adria congress of Hepato-Pancreatico-Biliary Surgery, Opatija, Croatia, 28th September 2001.
97. Validation clinique des innovations chirurgicales.
L. Michel. Symposium UCL sur les techniques laparoscopiques en Urologie. Mont-Godinne, 13 octobre 2001.
98. “*Erasmus and Thomas More: Utopia published in 1516 in Leuven The ESS in Leuven in 2001: another Utopia that is becoming true?*”
L. Michel. Opening Address at the 5th International Congress of the European Society of Surgery. At the Katholieke Universiteit Leuven - University Hospital Gasthuisberg, Leuven, 8th November 2001.
99. Why blunt abdominal trauma, including those assumed to be minor, should not be trivialised?
L. Michel. Invited Lecturer at the 5th International Congress of the European Society of Surgery, Leuven 9th November 2001.
100. Co-chairman Award Session of the 5th International Congress of the European Society of Surgery, Leuven, 9th November 2001.
101. Controversy about Endoscopic Adrenalectomy.
L. Michel. Invited Keynote Lecture at the Congreso Cubano Internacional de Cirugia Endoscopica. La Habana, 14th November 2001.
102. Evidence Based-Medicine - Comparaison entre la chirurgie à ciel ouvert, la chirurgie laparoscopique et endoscopique: coûts directs et indirects, confort du patient.
L. Michel. Association Scientifique de Médecine d'Assurance. Mont-Godinne, 21 novembre 2001.
103. Le consentement éclairé du patient.
L. Michel. Journées de formation continue du personnel soignant. Session Ethique et les Soins Infirmiers. Mont-Godinne, 27 et 29 novembre 2001.
104. Chairman of the session about “ *Endocrine Surgery by videoscopic approach* ”.
L. Michel. 8th European Congress of Video Surgery. Brugge, March 7, 2002.
105. Modern tools for diagnosis and treatment of blunt abdominal trauma.
L. Michel. Invited lecturer by the Belarusian State Medical University and invited speaker at the XIIth Congress of the Belarusian Society of Surgeons. Minsk, May 22-24, 2002.
106. Surgical treatment of very big retrosternal and retrotracheal goitres.
L. Michel. Invited lecturer by the Public Health Ministry of Ukraine and the Ukrainian Scientific and Clinical Center of Endocrine Surgery and Transplantation (Meeting sponsored by the TEMPUS cooperation programme between the European Union and the associated countries). Academy of Sciences - Kiev, October 18, 2002.
107. The consequence of the Tchernobyl accident on the incidence of thyroid cancer in young patients in former Western Europe.
L. Michel. Invited Keynote Lecture by the Public Health Ministry of Ukraine and the Ukrainian Scientific and Clinical Center of Endocrine Surgery and Transplantation. Academy of Sciences - Kiev, October 19, 2002.
108. Increased expression of Endothelin-1 and its mitogenic receptor (ETAR) in Human thyroid cancer.
L. Michel, J. Donckier. Invited lecturer by the Public Health Ministry of Ukraine and the Ukrainian Scientific and Clinical Center of Endocrine Surgery and Transplantation. Academy of Sciences - Kiev, October 19, 2002.
109. Where do we come from? A Brief history of thrombosis prophylaxis in Surgery?
L. Michel. Invited Keynote Lecture at the Symposium on the Paradigm shift in antithrombotic prophylaxis – 6th International Congress of the European Society of Surgery, Budapest, 30 November 2002.
110. “*The viewpoint of the Anonymous of Budapest about History of Surgery as part of our European cultural identity*”
L. Michel. Opening Address at the 6th International Congress of the European Society of Surgery. Budapest, 30 November 2002.
111. Co-chairman Endocrine Surgery session of the 6th International Congress of the European Society of Surgery, Budapest, 30 November 2002.
112. Thrombosis prophylaxis in Abominal Surgery and in Oncology Surgery? L. Michel. Invited lecturer at

- the Charles University, Prague, May 2003.
113. Retrosternal goitre and “En-bloc” resection of invading extensive cancer of the thyroid associated with mediastinal tracheostomy.
Endocrine Surgery Symposium of the University of Saint-Petersburg and Saint-Petersburg Medical Academy Saint-Petersburg, June 11-13, 2003.
 114. Asymptomatic Adrenal Tumours (Adrenal Incidentaloma): Criteria for Endoscopic Removal.
Endocrine Surgery Symposium of the University of Saint-Petersburg and Saint-Petersburg Medical Academy Saint-Petersburg, June 11-13, 2003.
 115. Pour ou contre le clonage ?
Le café des Sciences de l’Université de Mons-Hainaut (UMH), sous le haut patronage de la Communauté Européenne. Université de Mons, 8 octobre 2003.
L. Michel - Conférence-Débat avec H. Alexandre (UMH), ML Delfosse (FUNDP), JP. Renard (INRA, Paris).
 116. Academic Ceremony Speech at the Karolinum in response to the Rector of the Karlova University of Prague L. Michel. Prague, 20 November 2003.
 117. Prague, the meeting point of European ideological nightmares and European cultural dreams. L. Michel. Opening Address at the 7th International Congress of the European Society of Surgery. Prague, 21 November 2003.
 118. La loi du 22 août 2002 relative aux droits du patient.
L. Michel. GLEM des Chirurgiens Cardio-Thoraciques. Namur, 4 décembre 2003.
 119. Evidence Based Medicine (EBM) : de William Beveridge au Résumé Clinique Minimum (RCM).
L. Michel. Cours Interfacultaire de Bioéthique : *Enjeux éthiques des politiques de santé en Belgique*. Centre interfacultaire Droit, Ethique et Sciences de la Santé (CIDES) des Facultés Universitaires Notre-Dame de la Paix. Namur, 16 mars 2004.
 120. Semantics of healthcare: quality, efficacy, effectivity and efficiency?
L. Michel. Fifth Belgian Surgical week. Ostende, May 2004.
 121. Prophylaxis of thromboembolic disease in Surgery.
L. Michel. Charles University of Prague at the Motol Hospital. May 13, 2004.
 122. Evidence Based Medicine (EBM) L. Michel. Conférence du Département de Chirurgie de l’Université de Liège – CHU du Sart Tilman, Mai, 2004.
 123. Asymptomatic adrenal tumors, the so-called Adrenal incidentaloma (with video surgery).
L. Michel. Meeting of the Polish Society of Surgeons at the 1st Department of Surgery of the Jagellonian University, May 26, 2004.
 124. Videoscopic Adrenalectomy: the Belgian Experience.
L. Michel. International Meeting of Endocrine Surgery jointly organised by the Università Cattolica del Sacro Cuore of Rome at the Policlinico Gemelli, the Mount Sinai School of Medicine of New York and Cornell University NY
Rome - June 7-10, 2004.
 125. EBM: Facts and Fallacies Séminaire de Psychiatrie, Psychosomatique et Psychologie de la santé de l’UCL. L. Michel, Mont-Godinne - 14 septembre 2004.
 126. EBM: Mythes ou Réalité? Réunion conjointe de l’Association des Chirurgiens thoraciques et vasculaires de Mons et de l’Association des médecins généralistes du Borinage. Mons, 9 octobre 2004.
 127. Symptomatic and asymptomatic adrenal tumours: Criteria and Technique for endoscopic removal. Invited Lecturer at the International Meeting for the 70th Anniversary of the Bulgarian Society of Surgery, Varna, 1-2 October 2004.
 128. Retrosternal goitres and “en-bloc” resection of invading extensive cancer of the thyroid. Invited Lecturer at the International Meeting for the 70th Anniversary of the Bulgarian Society of Surgery, Varna, 1-2 October 2004.
 129. Changing pattern for management of severe blunt liver trauma. CT reconstruction: a useful complementary tool?
Invited Lecturer at the International Meeting for the 70th Anniversary of the Bulgarian Society of Surgery, Varna, 1-2 October 2004.
 130. Ethical, Philosophical and Legal foundations of the Informed Consent in the European Union. Keynote Lecture of the International Meeting for the 70th Anniversary of the Bulgarian Society of Surgery – Plenary Session about Training, Ethical and Legal Aspects of the Surgical Practice. Varna, 1-2 October 2004.
 131. Informed Consent and Patient’s Rights in Europe National Meeting of the Cyprian Society of Surgery. Nicosia - Cyprus, 5th October 2004.
 132. Prophylaxis of Thromboembolism in Surgical Patients. National Meeting of the Cyprian Society of Surgery. Nicosia - Cyprus, 6th October 2004.
 133. Evidence Based Medicine – Mythe ou Réalité
Réunion du Service de Chirurgie Vasculaire et Thoracique du CHR St Joseph, Mons, 9 octobre 2004.
 134. Videoscopic Adrenalectomy: Lessons from the Belgian Experience
Combined Surgical Workshop of the European Society of Surgery – Mayo Clinic – Royal College of Surgeons

- (Edinburg), Malta, 11th November 2004.
135. La Valetta and Malta: the Geography being short, the History being long. L. Michel. Opening Address at the 8th International Congress of the European Society of Surgery. Malta, 12th November 2004.
 136. Co-chairman for the Prize session for the best papers presented at the 8th International Congress of the European Society of Surgery, Malta, 13th November 2004.
 137. Pros and cons of laparoscopic adrenalectomy.
10th Conference on Essential Problems in Clinical Endocrinology and Endocrine Surgery. Kiev, 19-20 November 2004.
 138. Modern Diagnostic Tools and Treatment Modalities of Blunt Abdominal Trauma National University of Ukraine – Medical School, Kiev, 18 November 2004.
 139. EBM: mythe ou réalité
Enseignement Continu Universitaire UCL, Mont-Godinne, 27 novembre 2004.I
 140. Evidence Based Medicine: par qui et pour qui?
III^{ème} Forum d'Urologie – Mons – Borinage, Jurbise, 4 décembre 2004.
 141. Contexte socio-économique de la Médecine Factuelle
L. Michel. Réunion des Services de Pneumologie de l'UCL - Mont-Godinne, 16 février 2005.
 142. Informed Consent and the new European Regulations about the Rights of the Patient. L. Michel
Faculty of Biology, University of Latvia – Riga, April 11, 2005.
 143. Retrosternal goitres: facts and fallacies
L. Michel. Surgical staff Meeting of the Charles University of Prague at the Motol Hospital. May 13, 2005.
 144. Le consentement éclairé du patient dans le cadre de la transplantation.
L. Michel. Réunion de Formation Continue de la Région du Centre - Jolimont, May 2, 2005.
 145. Endothéline et Oxyde nitrique, nouvelles pistes pathogéniques du carcinome thyroïdien
J. Donckier, L. Michel
IX^e Congrès de l'Association Francophone de Chirurgie Endocrinienne – Liège, 9 juin 2005.
 146. Epistémologie de l'Evidence Based Medicine. L. Michel
Session du Président de la Société Royale Belge de Gastro-Entérologie consacrée aux Fondements et problèmes éthiques, déontologiques et juridiques en Hépatologie Gastro-Entérologie – Bruxelles, 4 juin 2005.
 147. Surgical treatment of retrosternal goitres: facts and fallacies.
L. Michel. Invited lecturer at the Congress of the Egyptian Society of Surgery, Alexandria, September 15, 2005.
 148. Evidence Based Medicine: Myth and Reality?
L. Michel. Invited lecturer at the Congress of the Egyptian Society of Surgery, Alexandria, September 16, 2005.
 149. Modern tools for the diagnosis and treatment of blunt abdominal trauma.
L. Michel. Invited lecturer at the Meeting of the Cypriot Surgical Society, Nicosia, September 2005.
 150. Evidence Based Medicine: des chiffres et des mots!
L. Michel. GLEM de Chirurgie Cardio-Vasculaire, UCL-St Luc – Bruxelles, 12 octobre 2006.
GLEM des Chirurgiens UCL de Bruxelles – Bruxelles, 4 novembre 2006.
 151. Sources, applications et dérivés de l'EBM.
L. Michel. Postgraduate Course of the Centre for Evidence-Based Medicine – Belgian Branch of the Cochrane Collaboration. CEBAM - Bruxelles, November 9, 2005.
 152. Opening Ceremony speech of the 9th Annual Meeting of the European Society of Surgery. Vienna, L. Michel. November 11, 2005.
 153. Pitfalls and tricks of laparoscopic adrenalectomy.
L. Michel. Invited Lectures at the session “New Concepts in Minimally Invasive Surgery” of the 9th Annual Meeting of the European Society of Surgery. Vienna, November 12, 2005.
 154. Laparoscopic surgery for adrenal tumours.
Diagnosis and treatment of retrosternal goitres
L. Michel - Invited Lectures at the Estonian Society of Endocrinology, Tallinn, March 27, 2006
 155. Session of the Belgian Royal Society of Surgery on Endocrine Surgery
L. Michel & R. Van Hee
7th Belgian Surgical Week. Oostende, 5 May 2006.
 156. Surgical treatment of retrosternal and mediastinal goitre.
Laparoscopic adrenalectomy.
L. Michel, Invited Lecturer at the Jagiellonian University College of Medicine, Krakow, June 2006.
 157. Ten tips of blunt abdominal trauma.
L. Michel. 16th BOTA Symposium on *How to Optimize Poly-trauma Care*, University Hospital Sart Tilman CHU – Liège, September 9, 2006.

- 158.- Adrenal Endoscopic Surgery
 - Thyroid cancer 20 years after the Chernobyl accident in former western Europe
